**EMPLOYMENT OPPORTUNITY: Multiple Positions**

Temagami First Nation is located on the Bear Island Indian Reserve, which is one square mile of land, mostly rock, in the middle of Lake Temagami. The families of the Temagami First Nation have occupied the lands and waters in the Temagami area as stewards for thousands of years. The Temagami First Nation is the body politic of the 800 Teme-Augama Anishnabai, who are presently recognized as Indians under the Indian Act of Canada. The Bear Island Indian Reserve community, which includes 250 permanent residents and the government institutions of the Temagami First Nation, preserves the integrity of Teme-Augama Anishnabai as the stewards of n'Daki Menan. As we are located on an island on Lake Temagami, getting to Bear Island requires a short commute from the mainland. TFN offers all-year round shuttle services for employees, visitors and community members, to and from the main island to Bear Island, allowing freedom of travel despite being located on the lake. In the summer, we have a shuttle boat to accommodate travel, and a snowmobile shuttle in the winter. During times of break-up/freeze-up, TFN offers remote work as well as secondary offices for most employees.

Temagami First Nation is hiring to fill multiple positions across a variety of departments. Each of the below mentioned positions have various requirements needed to be considered towards the competition. Please ensure you have read each of the job descriptions to ensure you are applying with the appropriate knowledge, skills and abilities.

**Homemaker x 1**

**Technician Assistant x 1**

**Fire Chief x1 (preference to Bear Island residents)**
