Thinking about back to school? Add vaccinations to the check list. These vaccines are free and required for school attendance for 4 to 6 year olds:

- Tetanus, diphtheria, pertussis and polio (Tdap-IPV)
- Measles, Mumps, Rubella and Varicella (MMRV)

Immunization against chicken pox (varicella) is required for children born in 2010 or later.

If your child is due for a vaccine, book an appointment with your health care provider or the Timiskaming Health Unit - recommended before school starts.

Not sure if your child is due? Contact the Timiskaming Health Unit at 705-647-4305 / 1-866-747-4305 or by email at immunize@timiskaminghu.com

Did you know there is a **new** online tool to help you keep track of immunizations? You can:

- keep track by reporting immunizations to your Public Health Unit.
- view current, overdue and upcoming immunizations. Like a Yellow Card, only better.

Check it out at www.timiskaminghu.com then search "Yellow Card" to link to ICON.

From the time she was born, she's known no other home but a hospital bed. She's now 16 months old and waiting to undergo a second liver transplant. Sometimes life isn't fair. Her name is Rosalie and her grandparents, Brandy Livingston and Aaron Hearn, are caring for her at the moment. They've been spending weeks on end in Toronto, away from work and their teenage son, caring for their granddaughter. Rosalie's medical condition has placed a huge emotional and financial strain on Brandy and Aaron and their family, but they are holding up well because of the love they have for her and it is Rosalie's health that is their main concern.... To see more on this story, go to fundraiseronthefairways.ca.

Imagine being 36 years old, a mother of three boys and told you have one year to live unless you have a double lung transplant? And when a donor set of lung does come available, you undergo the lung transplant only to find out your body has rejected the lungs and in order to survive, you must undergo a second double lung transplant? All this while having to live away from home in Toronto close to the transplant hospital waiting for a donor set of lungs. This has been Vicky Presseault Pineau's enduring health challenge, not to mention the financial challenges she and her family face while they live in Toronto near the transplant hospital. She's a fighter, but she can't do it alone.... To see more on this story, go to fundraiseronthefairways.ca.
