**Plan Ahead!** If a fire breaks out in your home, you may have only a few minutes to get out safely once the smoke alarm sounds. Everyone needs to know what to do and where to go if there is a fire.

**SAFETY TIPS**

- » **MAKE** a home escape plan. Draw a map of your home showing all doors and windows. Discuss the plan with everyone in your home.
- » **KNOW** at least two ways out of every room, if possible. Make sure all doors and windows leading outside open easily.
- » **HAVE** an outside meeting place (like a tree, light pole or mailbox) a safe distance from the home where everyone should meet.
- » **PRACTICE** your home fire drill at night and during the day with everyone in your home, twice a year.
- » **PRACTICE** using different ways out.
- » **TEACH** children how to escape on their own in case you can't help them.
- » **CLOSE** doors behind you as you leave.

**IF THE ALARM SOUNDS...**

- » If the smoke alarm sounds, **GET OUT AND STAY OUT.** Never go back inside for people or pets.
- » If you have to escape through smoke, **GET LOW AND GO** under the smoke to your way out.
- » **CALL** the fire department from outside your home.

For more information about planning your escape, visit [www.temiskamingshores.ca](http://www.temiskamingshores.ca), the Temiskaming Shores Fire Department and City's Facebook page, or the Office of the Fire Marshal and Emergency Management's website at [www.ontario.ca/firemarshal](http://www.ontario.ca/firemarshal).
