## Municipal Playgrounds, Sports Fields, and Trails Closed

All outdoor recreational amenities, including municipal playground structures, park shelters, tennis courts, basketball courts, sports fields and skate parks within the City of Temiskaming Shores are closed.

Also closed are trails at Pete's Dam Park and Devils Rock and walkways at the New Liskeard Waterfront and Haileybury Waterfront.

The STATO trail is closed between Wellington St. South and Beach Blvd. in New Liskeard and Browning St and City Hall in Haileybury. All other portions of the STATO trail are open to use at your own risk.

## RESTRICTED FIRE ZONE

The Ontario government has taken action to protect people and communities from the risk of preventable human-caused fires and to ensure that the province's emergency response system remains strong during the COVID-19 outbreak.

As of April 3, 2020, Ontario declared a Restricted Fire Zone which includes the City of Temiskaming Shores. Under a Restricted Fire Zone, all burning permits issued in the City of Temiskaming Shores are suspended and it is now illegal to have an outdoor fire—this includes burning of grass, debris and campfires, even when using an outdoor fire grate, fire place or fire pit.

Everyone must make alternate provisions for cooking and warmth, such as using propane stoves or charcoal burners intended for that use. The Restricted Fire Zone will remain in effect until further notice, and until Ontario's ability to respond to emergencies is no longer impacted by the COVID-19 outbreak.

The Temiskaming Shores Fire Department would like to thank all residents for their cooperation during this period. For more information contact Timothy H. Uttley, Fire Chief at 705-672-2733 ext. 4701 or [tuttley@temiskamingshores.ca](mailto:tuttley@temiskamingshores.ca).

**Curbside collection of garbage and recycling will continue as normal**

If a taxpayer has already made payment arrangements for the May 15<sup>th</sup> installment, i.e. postdated cheque or pre-authorized payment plan (installment or monthly plan); it is the responsibility of the taxpayer to contact the finance department in writing at [finance@temiskamingshores.ca](mailto:finance@temiskamingshores.ca) to cancel these payment arrangements. ## WATER DISTRIBUTION SYSTEM MAINTENANCE

Please be notified that the Environmental Crews of the Public Works Department will be carrying out maintenance programs, flushing and testing of fire hydrants throughout the municipal water distribution systems. The work may cause some discoloration in the water; however, the effect should be minimal. If a coloured water problem is encountered in your water service line, flushing the service by letting the water run for a period of time should cure the problem. If the coloured water persists, please contact the Public Works Department for assistance at 705.647.6220.

**This program will commence in Haileybury on May 11, New Liskeard on June 1 and Dymond on June 15, 2020.**

Thank you for your co-operation as Environmental Crews carry out this important maintenance activity.
