# WE DON'T BREW OUR BEER FOR THE AWARDS.

# BUT HE DOES!

Our brewmaster, Andrew Kohnen, threw away a successful career in logistics to pursue his dream of reconnecting with the brewing roots of his family. This carried him to the UK's prestigious Brewlab in Sunderland, England, where he procured the alchemy that would drive his signature brewing style.

He took what he could from there and ventured to Scotland, Cornwall, and ultimately to Krefeld, Germany, working in the same brewery that had belonged to his ancestors. He came home to Canada for Hockley.

*You could call it dumb, but we call it destiny.*
