### VICE PRESIDENT, CLINICAL SERVICES & CHIEF NURSING OFFICER ("CNO") *Permanent Full-time*

This executive mandate would be an exceptional career opportunity for a Registered Nurse whose track record of success includes 7 to 10 years of progressive senior leadership experience.

Reporting to the President & Chief Executive Officer, you will establish and monitor criteria for clinical excellence and best practice so as to promote the advancement of clinical practice. An innovative, strategic leader committed to shared decision-making, you will provide a vision and guide the organization in creating a collaborative inter-professional practice environment that maximizes professional scope of practice and shared governance, as well as lead the development and implementation of a strategy that supports excellence in patient-centred care, education and research. Among your priorities, you will be promoting the advancement of all professional staff through continuous improvement of the standards of practice for nursing and allied health professionals.
