KIRKLAND AND DISTRICT HOSPITAL ENGLEHART AND DISTRICT HOSPITAL

The Hospitals are fully accredited and have a 92 bed complement with additional services such as emergency departments, an active surgical program, a full range of outpatient services and a busy visiting Specialist Program. The Hospitals serve over 20,000 residents combined across the Kirkland Lake, Englehart and surrounding areas.

MANAGER, PATIENT CARE SERVICES *Permanent Full-time*

Reporting to the Vice President of Clinical Services/Chief Nursing Officer, the Manager, Patient Care Services will be a member of the leadership team. This position is responsible for the delivery of safe, high quality patient care, fiscal management, human resource management, staff development and advancing professional practice. The Manager, Patient Care Services works in tandem with the Manager, Patient Care Services of In Patient Services and the Manager, of Patient Care Services of the Englehart and District Hospital. All Nursing Management positions will be responsible for cross coverage during absences and will work collaboratively in the development of nursing skills and knowledge, ensuring best possible nursing care at both Kirkland and Englehart District Hospitals.

Please refer to the Blanche River Health website to review the position in more detail
