"If people stop shopping local the small businesses will go away"  
 - Ami Cheema  
 (The Dam Depot)

"Shopping local helps support your community. By supporting local specialty shops, grocery stores, convenience stores etc. You are directly supporting the local employees and owners of those stores. We have already seen many business' have to close due to the pandemic which is very sad."  
 - Sherry Ridley  
 (Pop It)

"Many times we think we need to travel to a larger city to find more variety or a lower price, BUT if we all shop locally, our businesses will be in a better position to provide the variety and price we are spending our time and gas trying to find. Lets make Temiskaming Shores the Best City by supporting our local Businesses."  
 - Ernie  
 (Leisure Inn)
