Google and Facebook are two of the biggest companies in the world. You might say they're modern-day Goliaths.

They're using their monopoly power to scoop up 80% of online advertising revenues and to free ride on the news content produced by hardworking journalists and publishers across Canada.

Maybe it's time to start leveling the playing field a little, so the Davids of this world can start fighting back.

That's what Australia is doing. They're putting in place a comprehensive solution to enable news publishers in that country to counteract the power of the web giants. They're doing it with support from all the main political parties. And they're doing it without new government funding, or new taxes, or new consumer fees.

We think our parliament here in Canada should do the same. It's all in our new report at www.levellingthedigitalplayingfield.ca. Read it. And tell your MP to stand up with David against the Goliaths.

“Our community events are on the backs of our local business. So if you enjoy Winter Carnivals, Hockey and Baseball Seasons, Canada Day Fireworks, these events are only as strong our business community”
- Sally Cliff
(Northern Pride Real Estate Ltd.)

“It is important to buy local as it keeps the local economy going. When you buy from a small business you are keeping people in the community employed and it keeps all the events happening in the area.”
- Marc Dessureault
(North Cobalt Flea Market)

“If people stop shopping local the small businesses will go away”
- Ami Cheema
(The Dam Depot)

“Shopping local helps support your community. By supporting local specialty shops, grocery stores, convenience stores etc. You are directly supporting the local employees and owners of those stores. We have already seen many business' have to close due to the pandemic which is very sad.”
- Sherry Ridley
(Pop It)

“Many times we think we need to travel to a larger city to find more variety or a lower price, BUT if we all shop locally, our businesses will be in a better position to provide the variety and price we are spending our time and gas trying to find. Lets make Temiskaming Shores the Best City by supporting our local Businesses.”
- Ernie
(Leisure Inn)

LA PAROISSE SAINTE-CROIX nous invite à prendre conscience et réfléchir sur notre relation personnelle avec Jésus Christ par les 7 sacrements offert par l'église catholique : le Baptême, la Confirmation, l'Eucharistie, la Confession, l'Onction des malades, l'Ordination et le Mariage. Par ses sacrements, une alliance est établie entre Dieu et nous dans nos cœurs, comme l'annonçait le prophète Jérémie (31, 31-34) : « Je mettrai ma loi, au fond de leur être, je l'écrirai sur leur cœur. Ils seront mon peuple, je serai leur Dieu ». Tél : 705-672-3296 / Adresse : 341 Sutherland Way, Haileybury, ON
