119 Years experience in listing and selling homes.

*Zi-Guy
Gauvreau*

705.648.4545

Zi Guy Gauvreau: licensed in 1992. I came into real estate following years in the car sales/service industry. Many of my car clients trusted me with the sale or purchase of their homes. In 2001 I bought the business from our founder Eveline and twelve years later I sold it to John. I stay in the business because I enjoy the interaction between clients and other Realtors. Pineapples on pizza... why not?

*Jaime
Roach*

705.650.3306

Jaime Roach: licensed since 2018. I chose a career in real estate because it allows me to help families with one of the biggest purchases and/or sales of their lives. I personally was frustrated with the purchase of my first home and this has given me a great first-hand look at why Realtors are so essential in these sometimes complex transactions. I use all of the new technology as well as standard practices to help better serve my clients. Pineapples on pizza are an excellent choice.

*Einas
Makki*

705.676.6269

Einas Makki: licensed since 2010. I enjoy selling real estate because I love working with people. I like being a part of my client's lives and a character in their stories. My hobbies of photography & videography have served me well in my real estate career. In my spare time I moonlight as a personal chauffeur to two incredible teenagers, and we love pineapple on pizza.

*Patrick
Corneil*

705.648.5329

Patrick Corneil: licensed in 2018. I spent two and a half years selling real estate in Toronto and I am thrilled to have transitioned back home to Temiskaming Shores. Since moving back, I have become a Broker and have had great success helping my clients buy and sell real estate by leveraging my extensive local network. I love being back in town and getting to work with familiar faces. Let me help make your real estate decisions as stress-free as possible. Service bilingue disponible - n'hésitez pas d'appeler! Oh, and you don't put fruit on a pizza!

*Myra
Gauvreau*

705.648.0110

Myra Gauvreau: licensed in 2016. I am highly driven single mother of two elementary school-aged children. I've always been so thankful for the smallest things in life. Thriving on spontaneity, and being highly intuitive has helped me tremendously when it comes to finding what people are looking for. I enjoy meeting new people and having them trust me to find that first or next home, this privilege I don't take lightly. I love pineapple on everything.

*Dan
Goudreault*

705.676.5512

Daniel Goudreault: licensed in 2007. Before moving back to the area I lived in Ottawa and worked in the banking industry where I held various positions such as Customer Assistance Manager, Direct Promotions Manager and Business Development Group Manager. My wife Nancy and I decided that we wanted to raise our two children in Timiskaming so we moved back to the area, where I decided to follow in my father's footsteps and help people buy and sell their home! With a background in home renovation and construction I am able to guide buyers in avoiding serious pitfalls and guide sellers to help them get top dollar for their cherished investment. I am going to leave the pineapple for Sharleen.

*Louise
Ames*

705.648.3336

Louise Ames: licensed in 2000. I became a Realtor because my husband was a log home builder and I figured one of us should have a real estate license. Over the last twenty years I have enjoyed meeting people and helping them acquire or sell their dream home. I like to think I inherited my mother Eveline's work ethic and commitment to getting a job done; this has served me well in real estate. I am proud of the achievements I have accomplished, the most recent one being top 1% by units in 2020 with Century 21 across Canada. Yes to pineapple.

*Dave
Potter*

705.648.1389

Dave Potter: licensed in 2011. After retiring from Canada Post I wanted to take on new challenges so I became a Realtor. Living most of my life in Earlton, I considered myself an agricultural specialist and this has helped me in listing /selling farms and making connections from far and wide. I enjoy the selling process from start to finish and I value the friendships I have forged with clients and other Realtors. I think pineapple should be free to go wherever they want.

*John
Gauvreau*

705.648.5555

John Gauvreau: licensed in 1996. I returned home from Montreal with my family because I wanted the quality of life Timiskaming can offer. Whether it's buying or selling, I am committed to my clients. I am very proud of the continuous effort and accomplishments our office achieves every year. We look forward to being an important part of how people buy and sell real estate for decades to come. I prefer more bacon and pepperoni than pineapple.
