

INSPECTION

Inspection of Approved Aerial Herbicide Project Timiskaming Forest

The Ontario **Ministry of Northern Development, Mines, Natural Resources and Forestry (NDMNR)** invites you to inspect the NDMNR-approved aerial herbicide project. As part of our ongoing efforts to regenerate and protect Ontario's forests, selected stands on the **Timiskaming Forest** will be sprayed with herbicide to control competing vegetation, starting on or about: **August 10, 2022**.

The approved project description and project plan for the aerial herbicide project is available electronically for public inspection by contacting the **Timiskaming Forest Alliance Inc. office** during normal business hours and on the Natural Resources Information Portal at <https://nrip.mnr.gov.on.ca/s/fmp-online> beginning **July 11, 2022 until March 31, 2023** when the Annual Work Schedule expires.

Interested and affected persons and organizations can arrange a remote meeting with NDMNR staff to discuss the aerial herbicide project. For more information, please contact:
