

Christmas kick-off in Englehart

ENGLEHART (Staff) – The holiday season in Englehart kicks off Friday, with lots of opportunities to find that perfect Christmas gift and even snap a photo with Santa.

The November 18 event also sees the return of the Parade of Lights, the first since a pre-pandemic 2019.

As word has spread, the response to the Holiday Markets event has been “overwhelming,” said Natalie Perron-Boddy, fundraising coordinator for Royal Canadian Legion Branch 104 in Englehart.

Interest is coming from people who want to take in the event and from downtown stores taking the opportunity “to have a little more business during the holiday season,” she said.

Activities are concentrated on Friday, and run from noon to 9 p.m.

They include a vendors’ market at the Legion, where admission is a donation of cash or non-perishable food to the Englehart and Area Food Bank. (It’s the only event that continues Saturday, and proceeds from table rentals over the two days will support the Legion’s building fund.)

There’s also a vendors’ market at the Northern Beacon Rebekah Lodge.

The Englehart Public Library hosts a display of sweet creations entered in the Englehart Rotary Club’s annual gingerbread house contest and auction.

The library will also offer face painting and serve as the drop-off for kids’ scavenger hunt passports. They’ll be entered in a draw for a basket of child-friendly prizes.

Perron-Boddy said the library reports that some new memberships have been taken out, as people saw the line-up of upcoming activities.

In the evening, Timiskaming Hospice Palliative Care will host its annual celebration of life service at Holy Trinity Catholic Church, beginning at 6 p.m.

It’ll be followed by the lighting of the Tree of Life at Centennial Park.

BAKE SHOP

“On the Monday, I started, and took the day off Friday,” said Tempy Seymour as she surveyed her offerings at Hudson’s Country Christmas Market. The Hudson baker is only ten, but she has some four years’ experience in the kitchen. Ten per cent of the proceeds from Tempy’s Kitchen at the November 12 market were earmarked for the CJTT Christmas Wish fund. (Staff photo by Diane Johnston)

And at 7 p.m., the illuminated parade put on by the Charlton-Englehart Lions Club begins its trek through the downtown.

Santa will pay a post-parade visit to the library, where parents can bring their cameras to take

photos of their kids with the man of the hour.

Some businesses are staging special events, and some are opting to extend their hours to 9 p.m.

A schedule can be found in the November 16 issue of The Speaker.

DID YOU GET The Speaker THIS WEEK?
Here are some November 16, 2022 stories...

- Temiskaming Hospital is seeing more sick kids and more kids with respiratory illness than it has since the start of the pandemic.
- A new approach to safety is slowly moving forward, as the province issues a request for proposals for the design and environmental assessment work for a pilot project testing the 2+1 model on Highway 11.
- All the DTSSAB child care providers have enrolled in the Canada-Wide Early Learning Child Care system, which lowers fees for families.
- New battery-operated extrication tools recently purchased by the Englehart Fire Department were praised for their speed and ease of use during a recent emergency.
- Tile drainage, a business start-up and four dairy farm expansions were among Temiskaming's beneficiaries of the Northern Ontario Heritage Fund support for the agri-food sector.
- The Bikers Reunion has donated \$23,600 to Temiskaming Hospital to help purchase two flexible cystoscopes, which are used to detect issues in the bladder.
- The Ebert Welding Puckhounds returned as champs from the Milton Invitational Showcase.
- Cubs lost three in a row in weekend play against the North Bay Trappers, the U16 Nickel Capitals, and the U18 Nickel Capitals.

TEA FOR TWO

MARKET DAY

Steam rose from a bubbling pot of soup as Evelyne Martin prepared to serve shoppers at a November 12 market at the Kenabeek Community Hall. Proceeds were earmarked for maintenance of the hall. It recently hosted a children's Halloween event and a dance for the grown-ups, and its regular breakfasts and spaghetti suppers are returning. (Staff photo by Diane Johnston)

The lighting will take place in conjunction with the Tree Of Life and Village Noel and the festivities will begin at 6:30 PM. Hot chocolate will be served, and an elf just texted us that Santa will drop in!

Holocaust education

The Ontario government has recently announced they are taking action against anti-Semitism and hate.

They are introducing mandatory learning requirements on Holocaust education into the Grade Six school curriculum.

This new curriculum will be introduced into the 2023 school year, beginning in September.

There has been an alarming rise in anti-Semitism in Canada and around the world of late.

The Holocaust was a genocide perpetrated by the German Nazi regime against European Jews between 1941-1945. Six million Jews were murdered in death camps, concentration camps, ghettos, killing fields and elsewhere.

The fact that six million Jewish people were murdered during the Second World War cannot be refuted.

The fact that they were killed was an attempt at ethnic cleansing by the German Nazi regime in power at that time.

Recently, we saw National Basketball Association star Kyrie Irving of the Brooklyn Nets suspended for five games without pay because of a Twitter link to a documentary having an anti-Semitic mes-

sage.

When he was called out as being racist, initially Irving refused to apologize.

He has since posted an apology on his Instagram page acknowledging his remarks hurt people.

A report by the Jewish Ant-Defamation League (ADL), says seventy plus years after the liberation of Auschwitz, two-thirds of the world's population still don't know the Holocaust happened, or they deny it.

As the history of the Second World War becomes fainter in the minds of the current generations, it is important that we speak about the horrors of the Holocaust and never forget them or the conditions that led up to them.

Today a younger group of Holocaust deniers is active on Facebook and Twitter and alt-right websites.

The Doug Ford government deserves a good a big thumbs up for their awareness of Holocaust denial.

Carrying hate, spewing hate and strutting hate is unacceptable.

Let us remember what connects us is our pain, our sorrows and our faith in humanity's goodness.

Voracious virus

Sue Nielsen

Between the hot Ukrainian girls, the male enhancer ads, the million dollar sweepstakes win coming my way, and other topics in my email lately, I take comfort in knowing I can turn it all off when needed.

I had to deal with something far worse last week.

It was a nasty flu bug and it had me down and out for some time.

Now, I am fully aware that there are those out there, maybe even you, dealing with more serious and chronic health conditions and I wish you all the healing possible.

But I would like to state the flu bug really sucks this year.

We have been hearing about people becoming infected and the flu season arriving earlier and earlier.

And heaven forbid, more and more children are getting sick while there is an apparent shortage of children's Tylenol. How does that happen?

Heck, I hadn't even had time to get my flu shot and the virus hit me hard.

It was at least five days of pure hell, with complete weakness, a high fever, chills, sore

ears, cough and sore everything.

I literally couldn't get out of bed let alone eat anything substantial.

If I lost any weight at all during this week from hell, where I drank mainly water, then I totally earned it.

Who knew a cool bathroom floor could be so comforting?

Yes, I was that down and out.

Psychologist Brené Brown describes resilience as the ability to tolerate discomfort.

I guess I am resilient because I tolerated plenty of discomfort with a few curse words mixed in for good measure.

When I was able to eat, who knew a can of chicken noodle soup could taste so good?

Sometimes gratitude shines brighter when put into context.

I realized during my illness every mundane thing that I had become accustomed to in my day-to-day life became a blessing.

When I stood up without pain, stretched a little, ate some food and went outside

for a walk it all became shiny and new again.

Picking up the cat was a blessing, making myself a late night snack, watching television without getting a headache was pure heaven.

I am feeling much better and thanks to those who reached out to me with their love and comforting words.

I am diligently following all public health measures to stay well including getting the flu shot, washing my hands (which I do anyway), masking and receiving COVID-19 booster shots.

I see this week the Ontario Chief Medical Officer of Health Dr. Kieran Moore stopped short of mandating mask wearing in light of the irruption of influenza.

Wearing masks helps to protect us all, but especially the kids.

We must not forget vulnerable people can die from the complications of the flu.

Stay well everyone!

Pancreatic Cancer Awareness

Symptoms of pancreatic cancer

Pancreatic cancer may not cause any signs or symptoms in its early stages. Signs and symptoms often appear as the tumor grows and causes changes in the body. Other health conditions can cause the same symptoms as pancreatic cancer.

See your health care provider if you have these signs or symptoms:

- yellowing of the skin and the whites of the eyes (called jaundice)
- pain in the upper abdomen or upper back
- fatty stools that are light colored, bulky and float in the toilet
- unexplained weight loss
- loss of appetite
- fatigue
- nausea and vomiting
- indigestion
- feeling full after a small meal
- bloating
- gas
- diarrhea or constipation
- itching
- dark urine
- fever and shivering
- swelling of the legs

Known Risk Factors

Tobacco
Obesity
Diabetes
Family history of pancreatic cancer
Certain genetic conditions
Chronic pancreatitis

Possible Risk Factors

Alcohol
Physical inactivity
Eating red and processed meats
Occupational exposure to chemicals
Helicobacter pylor
Hepatitis B virus
Gum Disease
Cystic Fibrosis
Cirrhosis of the liver

Diagnosing Pancreatic Cancer

Begin with a visit to your health care provider who will ask you about any symptoms you have and do a physical exam. Based on this information, your provider may refer you to a specialist or order tests to check for pancreatic cancer or other health problems. CT scan is the most common imaging test for pancreatic cancer.

Securing sharps safely in Englehart

ENGLEHART (Special) – Englehart will have a new location where sharps – used needles, syringes and lancets – can be safely disposed of.

A community sharps disposal bin will be installed outside the emergency department entrance at the Englehart hospital site of Blanche River Health (BRH).

“This is a great asset for our community,” said Dianne Pepsinski of the Englehart Family Health Team in a media release.

The family health team worked with the Timiskaming Health Unit and the hospital on the new initiative.

The health unit is providing the bin, and the hospital and family health team will share the costs and be responsible for its maintenance.

“The sharps bin is a large, durable, weather- and tamper-proof steel container that is well secured,” said Jamie Swartz of BRH.

“It is clearly labelled and will be emptied regularly by trained staff.”

Sharps are medical devices with sharp points or edges. They’re used by many people, including individuals with cancer, diabetes or other medical conditions; pet owners; and people who use substances.

If not disposed of properly, they can inadvertently puncture or cut the skin, leading to injuries or infection.

Making safe disposal available is part of efforts in Temiskaming to address drug and alcohol use and the harm it causes.

“A harm reduction approach works to reduce the negative

effects of substance use,” said Kerry Schubert-Mackey, co-chair of the Timiskaming Drug and Alcohol Strategy.

“The community sharps bin initiative provides individuals with safe and convenient options for sharps disposal,” Schubert-Mackey said.

At this time, sharps can be

Province announces 2023 municipal support

TORONTO (Staff) – Allocations to municipalities from the Ontario government’s primary general assistance grant have been announced for 2023.

Overall funding under the Ontario Municipal Partnership Fund (OMPF) remains at \$500 million, as it has for the past several years.

It’s distributed among 389 municipalities, mainly rural communities and in the North. The funding is unconditional and can be spent as each municipality sees fit.

The OMPF targets funding to municipalities facing challenging fiscal circumstances and supports areas with limited property assessment.

In the South Temiskaming area, most municipalities will see slight drops from their OMPF allocations in 2022.

In two – Cobalt and Englehart – allocations are unchanged, while allocations will increase for Coleman, Latchford and Temiskaming Shores.

The accompanying chart lists the region’s municipalities, their allocations for 2023 and on a per-household basis, and their 2022 allocations.

TEMISKAMING SHORES - Four members of the Temiskaming Palette and Brush Club have had their artwork accepted in the sixty-sixth annual Northern Ontario Art Association (NOAA) exhibition.

Artists Amber Elliott, Brenda Henderson, Laura Landers, and Iris Shields had their artwork accepted. There were ten members from the club who submitted works for the juried exhibition, said Temiskaming Palette and Brush Club member Brenda Henderson in an email.

Henderson and Shields were also recipients of awards given for their artworks.

The Passionate Painters of Sault Ste. Marie (c/o Kathy

Godfrey) for Best Watercolour Award went to Henderson for her watercolour titled "Bee on the Balm."

Shields was awarded the Royal LePage, Gordon Henderson Award for Best Composition for her oil painting titled "The Wedding Couple."

This year's juried exhibition was held by the Algoma Art Society from Sault Ste. Marie, and again due to Covid, the NOAA Exhibition this year is being presented virtually, Henderson stated, and added that the exhibition can be viewed on the NOAA website (www.noaa.ca) under the juried shows tab.

The judges for the sixty-sixth NOAA were Lucia O'Connor and Taimi Poldmaa. Ninety-nine entries had been received

from 15 NOAA clubs, said Henderson. "After spending many hours studying the entries, they chose 38 pieces for the online exhibit. The judges prepared detailed critiques for all the entries, both selected and non-selected."

The sixty-seventh NOAA annual exhibition will be hosted by the Kirkland Lake Art Club in September 2023.

The Temiskaming Palette and Brush Club currently has artwork displayed and for sale at the Open Studio Libre and artworks for sale will continue to be available through the month of November.

The Temiskaming Palette and Brush Club will also be displaying artworks at the Temiskaming Art Gallery in January and February.

Lions outrun by Greyhounds in weekend series

Sue Nielsen

Speaker Reporter

TEMISKAMING SHORES

— The New Liskeard Lions

played a trio of games against the U16 Sault Ste. Marie Jr. Greyhounds last weekend getting outpaced in all three games.

The U18 Lions play in the Nickel District Hockey League and travelled to Sault Ste. Marie for a three game series against the Jr. Greyhounds on November 12-13.

The Lions lost 4-0 on Saturday, November 12 in the first game of the day at 2 p.m.

In the second game held later that evening at 7:30 p.m. the Greyhounds skated away with a 6-3 victory.

Then in a morning game on Sunday, November 13 the Lions were outrun 4-0.

"They have a really skilled team," said Lion's coach Dom Fleury in an email interview.

Sometimes playing three

games in one weekend does not suit certain teams, but the coach is in favour of three game weekends.

"Playing three games in one weekend is the way to go especially going that far, the last game did get a little chippy, but other than that the boys competed hard."

The Lions went on the road with one player

sick and one injured.

The coach feels his team needs to spruce up their power play, not slack off and communicate better.

The Lions currently have two wins, eight losses and no ties for a total of four points and a fifth place league standing.

Coach Fleury says his players are a great group of kids and "They are a lot of fun to be around, they work hard and they have a lot of fun together."

The Lions play their next game on Thursday, December 8, at 7:30 in Powassan against the Hawks.

10 Questions for Timiskaming Hearing Clinic Owner / Audiologist Leanne Nielson

1. How did you get your idea or concept for the business?

It was always my goal to own my own audiology practice. As a Clinical Audiologist Reg., CASLPO, my credentials allow me to provide a variety of hearing healthcare related services to the communities of Temiskaming Shores and Kirkland Lake. Our team approach to patient care begins at our front line following through to experienced audiologists, with the primary goal being to improve the quality of lives by improving hearing abilities. We pride ourselves on cutting edge technology and educational experiences combined with many years of experience to provide the best outcomes for our patients. Timiskaming Hearing Clinic provides professional care for all hearing needs well beyond the provision of hearing aids. We provide personal hearing healthcare programs to improve the quality of life at home, performance in the work place and as well in school settings. The diversity of the practice and the clients we serve, including school boards, industrial settings and the people of the community make working in the field of audiology very exciting.

2. How long has this business been operating?

Timiskaming Hearing Clinic has been in operation since 1996.

3. What is your business's mission?

Our mission is to provide an excellent patient experience from start to end. We create a map and profile of your hearing system right up to the brain to help us help you with your hearing healthcare plan. Prescribed solutions take in account all of this important information obtained through assessment and personalized information.

4. What services and/or products do you offer?

Initial comprehensive assessments are performed in combination with lifestyle discussion. From there, our training and equipment provide a measure of hearing difficulties and assess unique needs. Prescribed solutions will take into account all of this important information. We also make recommendations for school boards and industrial sites. We may also direct a patient back to a physician or specialist for follow up if needed. Our services range from wax removal, hearing assessments, hearing aid selections, device selections, fittings and follow ups. We also provide specialized auditory processing assessments and now moving to a treatment model for these problems. We also assess brain injured clients for post auditory affects as well as people suffering from tinnitus or ringing in the ears.

5. What is unique about Timiskaming Hearing Clinic?

We strive to ensure that all patients have a hearing healthcare plan in place when they walk out of the clinic. We strive on educating our patients in all regards with respect to their hearing.

6. If you had one piece of advice to someone just starting out in any business what would it be?

Network with others in your field and in your community. Build your team with members who have similar values and respect for your patients.

7. What is your biggest challenge as a business owner in this community?

I would say the biggest challenge for Timiskaming Hearing Clinic is operating two practices in two areas. Our winter weather occasionally interferes with our services down in the Temiskaming Shores area. However, we are adaptable to rescheduling.

8. What do you want your clients to remember about your business once they finish their interaction with you and your team?

We ensure that our patients do know that we are available to answer any questions that come up. We also are not shy to follow up with them to ensure they have received the recommendations we have made and if they continue to have any questions that were unanswered. We also follow up routinely with those who have received hearing aids recently to ensure that they are managing and progressing well with the new devices.

9. What would you consider a hidden gem about your business? A feature that not many people know about?

In addition to audiological assessments, I have a keen interest in educational audiology services including Central Auditory Processing Abilities Assessments and how they relate to learning disabilities and children's progress in the education environment. I am starting therapy for those children who have auditory processing issues.

Timiskaming Hearing Clinic is also launching a formal tinnitus evaluation protocol and services in the near future.

We have also been involved in a cutting-edge experience affiliated with Sick Kids Hospital in Toronto. We have volunteered our time to pilot remote mapping for Cochlear Implants. This has been an exciting adventure and we hope to continue to provide this service in a more formal manner very soon.

10. In your experience, what has been the most significant change in today's business world compared to years ago?

I feel that the most significant change in today's business is the experience and knowledge of our consumers. Very often, patients are coming into the clinic well versed in what they would like in terms of technology. Patients are more connected these days and wish to be so in every aspect of their life including their hearing and hearing aids. Hearing well means living well.

A message to our patrons:

A special thank you to all our patients for allowing us to be a part of your lives and sharing in your journey with respect to your hearing healthcare. You have become our friends along the way as we continue to serve you and apply our knowledge to help aid in your hearing healthcare plan.

Securing sharps safely in Englehart

Continued from 8

dropped off in Englehart in specially marked containers in pharmacies and at the health unit during business hours.

In Temiskaming Shores, bins are located at the offices of the health unit and the Canadian Mental Health Association.

The health unit added that the risk of developing a serious infection from a poke or cut with a sharp is low. But should it happen, it said it's important to seek medical care as soon as possible.

If you come across a discarded needle or sharp, consult the health unit's website, call 705-647-4305 ext. 2232, or email harm.reduction@timiskaminghu.com.

TIMISKAMING'S HOTTEST COUNTRY

THE RANCH

HOROSCOPE

WEEK OF NOVEMBER 20 TO 26, 2022
The luckiest signs this week:
Sagittarius, Capricorn and Aquarius

March 21 - April 19 **ARIES** You'll face opposing views, and your plans could change more than once. You must be patient and wait for things to settle down to determine which direction to finally take.

April 20 - May 20 **TAURUS** You may find it hard to strike the right balance in all aspects of your life. Adjusting a few minor details may allow you to achieve your goals. You must get more sleep to strengthen your immune system.

May 21 - June 21 **GEMINI** You may start your own business. You'll discover new and ambitious professional goals that make you feel good. You'll also meet the right people to partner with.

June 22 - July 22 **CANCER** You'll stand out in a crowd of people or on social media. You'll be very successful. You'll also receive some form of distinction or nomination.

July 23 - August 22 **LEO** You must clean your home. Getting rid of clutter will free your mind from confusion. You may have to speak up in certain circumstances to keep your mind in check.

August 23 - September 22 **VIRGO** You may receive criticism or deal with people who intentionally don't express themselves clearly, inviting confusion. If you're patient and diplomatic, you'll come out on top.

September 23 - October 22 **LIBRA** You'll receive a large amount of money, such as an insurance claim or inheritance. You must be tactful in a situation that may cause a bit of impatience on both sides.

October 23 - November 21 **SCORPIO** Channel some of your extra energy into doing physical activity; otherwise, you may see your mood drop. You must let off some steam to feel better.

November 22 - December 21 **SAGITTARIUS** Your mind will be full of ideas and concerns. You may contemplate starting a new career as fresh opportunities present themselves.

December 22 - January 19 **CAPRICORN** You'll be surrounded by a crowd or participate in a well-attended work event. While this will benefit you professionally and financially, meeting everyone's demands will feel exhausting.

January 20 - February 18 **AQUARIUS** At this time of year, some companies are making significant changes. Despite the anxiety and worry, you'll benefit from switching things up. You'll rise to the top, while some colleagues may not.

February 19 - March 20 **PISCES** You'll be inspired spontaneously to go on a big adventure. You may also have to take care of some urgent work at home. Whether for a trip or renovation, you'll spend money this week.

Fall Preschool Storytime

The Temiskaming Shores Public Library will be offering our Fall Preschool Storytime on Wednesday mornings until November 30. This program is for preschool aged children accompanied by an adult. Preschool Storytime is a fun, interactive and social early literacy program that is a great introduction to the library and the wonderful stories it holds. The program starts at 10:00 a.m. and finishes at 10:30 a.m. at which time the adults and little ones usually socialize and choose books to borrow. We're really looking forward to seeing everyone!

Creator Space Demo Days!

Saturday, Nov 26th - 3D Printing
Saturday, Dec 10th - Button Making

On Saturday, Nov. 26th, and Dec. 10th the Temiskaming Shores Public Library will be hosting demo days for select activities in its Creator Space. On each of these days, one activity will be demonstrated on a drop-in basis in the Creator Space between 10am and 3pm. All ages and families are welcome. All creations can be taken home at the end of the session.

LEGO Challenge

The Temiskaming Shores Public Library is pleased to present for the first time a LEGO Challenge program. This will take place on Saturday, November 19 from 10:00 a.m. until noon. The program is geared towards children aged 3 to 12 but we are flexible. Register your child(ren) by calling 705-647-4215 or email us at info@temisklibrary.com. Remember that your child will need to bring their own LEGO bricks to use at this program.

Christmas Letters to Canadian Armed Forces Members Overseas

Once again this year the Temiskaming Shores Public Library is spreading some Christmas cheer to Canadian Armed Forces members who are serving outside of the country and won't be home for Christmas. We will supply any of our willing patrons either a Christmas card and envelope or stationery and envelope so that they in turn can write an uplifting, positive message to a soldier who isn't able to be home with their family this Christmas. The cards and letters are very much appreciated and we've even had patrons that have received a letter in return from the soldier that received their card. It's a great program and a very small effort on our part to make a big difference in the holiday for the soldiers. This program will be active from November 16 to December 2, 2022 for us to mail them all out to be at CFB Trenton by December 9, 2022. Call the library at 705-647-4215 or drop in to see us to find out more!

Mobile Wifi Hotspot Lending program

Need internet access? Check out a portable wifi hotspot to stay connected! The library has received funding through the Timiskaming Health Unit's Digital Divide grant program to add five new devices to our collection. Library members 18 and older may borrow a hotspot for three weeks, for free from the library--there are no fees and the data is provided by the library. The hotspots will work anywhere in the region where there is a cellular connection. Contact the library for more information!

CO₂ Sensor Lending Program

Curious about the air quality in your indoor spaces? The library has a CO₂ Sensor lending program, thanks to a donation by Rise of three Aranet4 Home Air Quality monitors. CO₂ is a gas that is produced when people exhale. As more people remain in a room, CO₂ levels increase quickly if there is not enough fresh air coming into the space. High indoor CO₂ levels can cause tiredness, headaches and other symptoms, and indicate that a space is not well ventilated. High CO₂ levels can also facilitate the spread of airborne infections such as COVID-19. The devices are not CO (Carbon Monoxide) detectors and are not life safety devices. Contact the library to learn more!

Gadget Helper

The library's gadget helper program provides one-on one help to people in learning to use their tablets, cellphones and laptops. Contact the library and let our staff person know what you would like to learn. Currently we offer weekly 45-minute timeslots on Thursdays. In the past, the gadget helper program has helped patrons with topics from learning to navigate the basics of a new device to downloading ebooks and accessing online resources and even troubleshooting hardware and software issues.

For more information about any of these programs please call us at 705-647-4215, email us at info@temisklibrary.com or pop into the library and speak to one of our friendly staff members.

WHY YOU SHOULD RECEIVE YOUR BIVALENT COVID-19 VACCINE IF YOU ARE 12+

POURQUOI DEVRIEZ-VOUS RECEVOIR VOTRE VACCIN BIVALENT CONTRE LA COVID-19 SI VOUS AVEZ 12 ANS ET PLUS

Vaccines are effective at protecting you against severe illness, hospitalization, and death related to COVID-19. However, effectiveness decreases over time.

The bivalent booster will help protect you from the more serious consequences of COVID-19. Everyone aged 12+ is now eligible to receive the bivalent COVID-19 booster dose, if they have completed their primary COVID-19 vaccine series.

The recommended interval between your previous dose and the Bivalent Booster is between 3 and 6 months.

If you have had COVID-19, you should wait six months after infection for a booster dose. However, if you are at high risk for COVID infection, you should receive your booster at a minimum interval of 3 months. Your healthcare provider can help you make an informed decision based on your personal circumstances.

Les vaccins sont efficaces pour vous protéger contre les maladies graves, les hospitalisations et les décès liés à la COVID-19. Cependant, l'efficacité diminue avec le temps.

La dose de rappel du vaccin bivalent vous aidera à vous protéger des conséquences plus graves de la COVID-19. Toutes les personnes âgées de 12 ans et plus sont maintenant éligibles à recevoir la dose de rappel bivalente contre la COVID-19, si elles ont terminé leur série vaccinale primaire contre la COVID-19.

L'intervalle recommandé entre votre dose précédente et la dose de rappel bivalente se situe entre 3 et 6 mois.

Si vous avez eu la COVID-19, vous devriez attendre six mois après l'infection pour une dose de rappel. Cependant, si vous êtes à haut risque d'infection à la COVID, vous devriez recevoir votre rappel à un intervalle minimum de 3 mois. Votre professionnel de la santé peut vous aider à prendre une décision informée en fonction de votre situation personnelle.

TENDERS

FORM 6
 SALE OF LAND BY PUBLIC TENDER
 Municipal Act, 2001

Ontario Regulation 181/03, Municipal Tax Sale Rules

SALE OF LAND BY PUBLIC TENDER
 THE CORPORATION OF THE TOWNSHIP OF BRETHOUR

Take Notice that tenders are invited for the purchase of the land described below and will be received until 3:00 p.m. local time on November 24, 2022, at the Township of Brethour Municipal Office, 051476 Brethour Road, Brethour Ontario.

The tenders will then be opened in public on the same day as soon as possible after 3:00 p.m. at the Township of Brethour Municipal Office, 051476 Brethour Road, Brethour.

Description of Land:
 Roll No. 54 32 000 001 10600 0000 and Roll No. 54 32 000 001 10700 0000; 141132 Goddard Rd., Belle Vallée and Britton Rd; PIN's 61309-0068 (LT) and 61309-0191 (LT); PCL 14616 SEC S5T; FIRSTLY: S1/2 LT 11 CON 4 BRETHOUR; SECONDLY: N1/2 LT 11 CON 4 BRETHOUR; PT E1/2 OF S1/2 LT 10 CON 4, PT 1 54R5449; BRETHOUR; BRETHOUR; DISTRICT OF TIMISKAMING; Files 21-01 and 21-02
 According to the last returned assessment roll, the assessed value of the land is \$420,000
Minimum tender amount: \$20,202.07

Tenders must be submitted in the prescribed form and must be accompanied by a deposit of at least 20 per cent of the tender amount, which deposit shall be made by way of a certified cheque/bank draft/ money order payable to the municipality.

Except as follows, the municipality makes no representation regarding the title to or any other matters relating to the land to be sold. Responsibility for ascertaining these matters rests with the potential purchasers. The assessed value, according to the last returned assessment roll, may or may not be representative of the current market value of the property.

Transfers of properties that contain at least one and not more than six single family residences and are transferred to non-residents of Canada or foreign entities, are subject to the Province's Non-Resident Speculation Tax (NRST).

This sale is governed by the *Municipal Act, 2001* and the Municipal Tax Sales Rules made under that Act. The successful purchaser will be required to pay the amount tendered plus accumulated taxes and any taxes that may be applicable, such as a land transfer tax and HST.

The municipality has no obligation to provide vacant possession to the successful purchaser.

A copy of the prescribed form of tender is available on the website of the Government of Ontario Central Forms Repository under the listing for the Ministry of Municipal Affairs.

Financial Controller

The Opportunity
 We are looking for a Financial Controller to manage the finance and accounting department for our organization. The Financial Controller's responsibilities include evaluating the operations of the finance and accounting department, implementing financial systems for records management, and preparing financial statements and reports for upper management and shareholders.

Why join Three-H?
 Together, we will build a better company. Be a part of a fast-growing team, as we succeed in becoming the industry leader in the laminate furniture category. Our success is contingent on the hard work and dedication of our people. Three-H rewards team members through:

- Recognition and results-driven compensation
- Opportunities for career advancement
- Training and development opportunities
- Health Benefits and well being
- Ongoing communication and two-way feedback

Key Areas of Responsibility & Duties
 Ensure optimal profitability for the corporation.
 Reports financial matters between the finance department and shareholders.
 Evaluates auditing systems in place and modifies whenever necessary.
 Develops models and projections to estimate cash flow.
 Hires, manages and trains new staff members.
 Oversees all accounting department functions.
 Prepares financial statement, analyses, and reports.
 Makes recommendations for improving policies and systems in place.

Scope of Responsibility & Complexity
 Work is performed under general direction according to set methodologies and processes. As a Company that is growing, processes are evolving, and you will have the opportunity to shape them. Problem resolution involves using judgement to select methods and handle deviations from standard methods and practices. Work impacts the quality and integrity of results of the Company as a whole. Assistance for unusual situations is provided and your supervisor is readily available to provide direction and guidance when necessary.

Minimum Qualifications & Skill Requirements
 Professional accounting designation.
 Exceptional and proven communication, organizational, analytic and leadership skills.
 Strong understanding and knowledge of corporate accounting and financial management.

Three-H is an equal opportunity employer. We are committed to providing an environment of mutual respect and we believe that diversity and inclusion among our team members is critical to our success. We are committed to creating an inclusive environment for all employees and decisions to hire or promote will be based on merit, competence, performance, and business requirements.

If you are a passionate, committed, and a dynamic individual, please submit your resume in confidence to p.inglis@three-h.com.

Please note that only qualified candidates selected for an interview will be contacted.
