## Englehart's Day in the Park June 24

**Darlene Wroe**

Local Journalism Initiative Reporter

ENGLEHART - Englehart's Day in the Park is on track for Saturday, June 24.

The town is presenting a full slate of activities for residents and visitors from 11 a.m. to 3 p.m.

Hydro One will be working on installing some hydro poles in the area, and it is uncertain whether there will be a power disruption in the area of Centennial Park, where the event will be centred, but the town staff and volunteers are making plans to work around that if the park is affected.

"Most of the activities don't require power anyway," said coordinator Johanna Paradis, who is the town's community services director. Speaking in a telephone interview, she said the scheduled power disruption will be concluded at 1 p.m.

The Senior of the Year recipient will be announced between 1 p.m. and 1:30 p.m.

The province encourages municipalities to nominate people for the award, Paradis explained. Nominations for Englehart were made in the spring and council considered those and selected the recipient, she explained.

There will be a dog demo by Border Gem Ability about 1:30 p.m.

Rosborough's Funny Farm will be bringing some animals to the park from their Ingram Township location on Elliott Road. Archie, the fainting goat, bunnies, chicks and guinea pigs will be among those who will take the trip into town to see old friends and make new ones.

Climb N' Fun from Timmins will also be there with a gyroscope and stuffed animals that can be ridden along the closed streets around the park.

Jill Plaunt, a certified yoga instructor, will be providing a yoga demonstration at 11 a.m.

The Timiskaming Health Unit is organizing a scavenger hunt around the downtown core.

The Englehart and Area Fire Department will be

manning an obstacle course in which children will be timed and a prize will be given for the best time.

The Englehart and District Horticultural Society will have a table and supplies for making paper flowers.

There will also be face painting.

A safe and family-friendly version of axe throwing will be offered as a lawn game.

There will be an attendance draw at the Day in the

Park with a kayak as the prize.

There will be strawberry shortcake available from the Englehart Rotary Club.

There will also be cotton candy being provided by Make A Wish Party Planning in Englehart.

Paradis added that Silver Raven Chocolate in Englehart will be open and will have ice cream available.

# OBITUARY

## Anne Marie Desjardins February 9, 1927 – May 31, 2023

It is with profound sadness that we announce the peaceful passing of Marie Desjardins (née Tourigny) at 96 years of age.

She was a much loved and widely respected lifelong resident of the New Liskeard area, revered elder in the Francophone community, 50-year choir director at Église Sacré Coeur, and cherished mother and grandmother.

She is now reunited in joyful love with her mother Fleurette Pinard Tourigny (1930), her father Arthur Tourigny (1938), her son Raymond (Lefty) Desjardins (1997), and her husband Gérard (Jerry) Desjardins (2004), with Cleo by her side as well as her many brothers and sisters, Thérèse (Bouley Haskett), Roger, Fernand, Magella (Leroux), Lucille (Paquin) and Bernard.

Marie is survived by her children Louise Edmunds (Peter), Michel Desjardins (Pierre Désy) and Joanne Desjardins; grandsons Marc Edmunds (Amandeep) and Bernie Edmunds (Myrte) and two grandchildren she sadly never met (the children of her deceased son Raymond); as well as her many beloved nieces and nephews.

After losing her mother tragically when Marie was just three years old, she then lost her father when she was 11.

By the time she was 13 years old she was a very independent and hard-working young woman, supporting herself by working as a live-in maid, wrapping butter at Eplett's Dairy, and playing music for local dances.

Music, singing and dancing provided her with much joy. She was still playing her accordion until very recently. Marie lit up any time she received a compliment but she especially loved being told that she was a good dancer.

Throughout her life she held many leadership roles: Présidente des Filles D'Isabelle, Directrice Diocésaine des Femmes Chrétiennes, Présidente du Club de L'Âge D'Or, et Associée des Sœurs de L'Assomption de la Sainte Vierge.

She established Jerry's Meat Market with her husband in 1946 and it became a landmark on Whitewood Avenue for 25 years.

Marie was especially proud of completing her high school diploma at 61 years of age.

She enjoyed wintering at her condo in Florida and each year looked forward to spending time with her many friends and family.

She continued to contribute to her community in many ways, especially musically but was always generous with her time.

People recognized her on the boardwalk by her beautiful smile and, if you were lucky, her warm and loving hugs.

We are very grateful for the love and support provided by her caregivers over her final years.

A funeral mass will be celebrated on September 2, 2023, at 11 a.m. at Église Sacré Coeur in New Liskeard. A Celebration of Life will follow in the church hall.

Memorial donations may be made to the Canadian Cancer Society or the Heart and Stroke Foundation.

Online condolences may be made through [www.timiskamingfc.com](http://www.timiskamingfc.com).

For those of you who will be unable to attend, we will be providing a link for live-streaming on Facebook a few days before the funeral.

*"Life couldn't be better. I am very grateful for my life and all of the wonderful people I have known."* – Marie Desjardins, 2012.

# Tinder dry conditions

If anyone believes the threat of wildfires in the Temiskaming region has somehow gone up in smoke, they are mistaken.

The provincial restricted fire ban is still on and various municipalities in the region continue to ban open-air fires as well.

A cigarette butt tossed out a window, a spark from an ATV exhaust and sparks from truck brakes can lead to forest fires during tinder dry conditions.

Extreme caution is needed, especially around the Canada Day long weekend when the tendency is to light fireworks.

Under the fire ban, fireworks are also forbidden for obvious reasons. Instead of spending money on fireworks, why not donate those funds to a local charity?

The Speaker has heard of people having fires in their backyards in Temiskaming Shores.

Thankfully, the temperatures did drop last week and we had a good deal of rain landing in the region. And rain is in the forecast for this coming weekend also.

That still does not mean we are out of the woods when it comes to forest fires.

The fact is we all have to share the responsibility of being diligent so as to not cause fires.

The wish to have a bonfire or campfire at the cottage must be overruled by the need for public safety.

The majority of Temiskaming residents are responsible citizens but it only takes one person to take risks that could cause harm to others.

We cannot afford to let our guard down when it comes to wildfires as human-caused fires are never acceptable.

Keep fire safety in mind as you enjoy the upcoming summer season.

## *Il dolce far niente*

*“What’s so important today is that head and heart work together. Then you can attain your true human potential.”* Dr. Jane Goodall

Sue Nielsen

It’s summer and everything is bursting with life. I was made for summer.

I shall load my canoe onto my Sue-baru, pile my camping gear into my car and take off for the backcountry far away from the maddening crowd.

I know once I get into the seat of my canoe and paddle up a beautiful northern lake surrounded by a green forest I will immediately feel my body and mind changing.

Surrounded by the things I love, I will be away from screens, telephones, traffic noise and the busyness of life.

I try to avoid camping at provincial parks where you pay a fortune to camp in a gravel pit with a rusty fire pit and fellow campers so close that you can hear things you don’t want to hear.

I call my canoe trips my *il dolce far niente*, an Italian phrase for doing nothing.

However, I will bring a stack of books with me and read without interruption until the cows come home.

I can hardly wait to find a campsite amongst the pine trees on a point of land, set up my tent and cook my dinner.

After dinner I will look out onto a lake that is as smooth as glass, hearing the loon calling in a far off bay.

Ah, the peace of wild things! Thank you Wendell Berry.

My world will settle into a profound and beautiful silence.

Silence is something I crave.

It provides me with time to step back from my busy life to think, to just be in the moment.

A 2014 study found people left in a room alone with nothing to do, except engage with a device that would give them an electric shock, found that many people preferred to

shock themselves than spend 15 minutes alone with their thoughts.

That is indeed shocking.

I won’t be searching for dust bunnies or cleaning out my closets. Instead I will be listening to a screech owl break the silence in my outdoor Shangri-la.

I think we are all hard-wired to worship busyness and I reject a type of lifestyle based merely on productivity.

Because when poet Mary Oliver asks, “What is it you plan to do with your one wild

and precious life?” I hope to say that I laughed louder than church bells.

With my pack slung on a branch of a big ol’ white pine tree and my gear all tucked away, I will watch the sunset in hues of gold, pink and purple as the first stars appear in the night sky.

I will feel like the strength of Turkish coffee at sunrise, more alive than ever!

Being close to the earth is a healer and salve in these troubling times.

### Optimizing Snacking

Food not only provides us with the energy and the fuel we need but also produces enjoyment, identifies culture, holds tradition and creates community. Every time we eat offers an opportunity to nourish our bodies and enrich our lives.

Snacks are an important part of our daily eating habits and can help us to receive all of the nutrients we require. Incorporating delicious, nutrient-dense snack options can therefore help us to meet our daily nutrition needs and provide us with adequate energy. Below is a list of tips to help improve snacking as well as some snack ideas.

#### Tips for Snacking:

- **Choose a “Veggie Song”.** Cutting up vegetables and fruits ahead of time allows for easy ‘grab and go’, nutrient-dense, snack options. This task however can feel cumbersome. Choosing a 2-4 minute song, that you enjoy, allows you to set a couple of minutes aside to accomplish the task while listening to a favourite tune.
- **Store individually.** Pre-portioning non-perishable items such as whole-wheat crackers, roasted chickpeas, rice cakes and trail mix, increases the convenience of these high-fiber or protein packed options. Consider storing muffins, and/or pancakes individually in the freezer for an easy ‘grab and go’ snack to enjoy later.
- **Incorporate what you love.** This will look different for everyone and may include exploring new flavours, including cultural favourites, sharing ideas with family and friends or finding creative ways to modify old-time favourites based on health motivators.

**Snack Ideas.** A whole grain muffin and an orange; a hard-boiled egg and a pear; pumpkin seeds and berries on yogurt; apple slices and cheese; egg salad or labneh spread (a soft Middle Eastern cheese made from strained yogurt) on whole grain crackers.

Please contact the **Temagami Family Health Team** at **705-569-3244** for support in achieving a healthier you.

**Committed to keeping you as healthy as possible!**

## LETTER TO THE EDITOR

### Pendulum can swing back too far

Dear editor,

As I Christian I have to take offence about your writer's stance on sexual orientation that has swept across the world (Weekender column "Pride month" from June 16).

There is no doubt that these people need to be recognized for who they are. As I've often maintained, life is like a pendulum. It needs to swing to help those who suffer from lack of understanding, but then it swings too far the other way when people like this writer says that they are special, criticizing the church for not changing within to their so-called wants.

We have forgotten the children that are being told this is normal as they parade. Look at all the counselling these children are needing. Our children are lost souls wondering who and what they are.

The Bible states "but if anyone causes one of these little ones who believe in me to sin it would be better for him to have a millstone hung around his neck and thrown into the sea."

Now even Christian churches and schools are being targeted for not raising the flag. The government has made them an idol to worship by flying their flag - the same government that has lowered the standards found in the Bible. God is a jealous God and you shall not honour an idol Romans 8-7. For the mind set on the flesh is hostile to God for it does not submit to God's law, indeed it cannot Mark 7-9. You have let go of the commandments of God and holding on to the traditions of man Jude 8-18.

In the last times there will be scoffers who will follow their own ungodly desires. These are the men that divide you and follow their own ungodly instincts and do not have the Spirit.

You can agree or disagree. I also see the gift of nature made by God for all to enjoy.

Douglas Edwards,  
Englehart

# WE DON'T BREW OUR BEER FOR THE AWARDS.

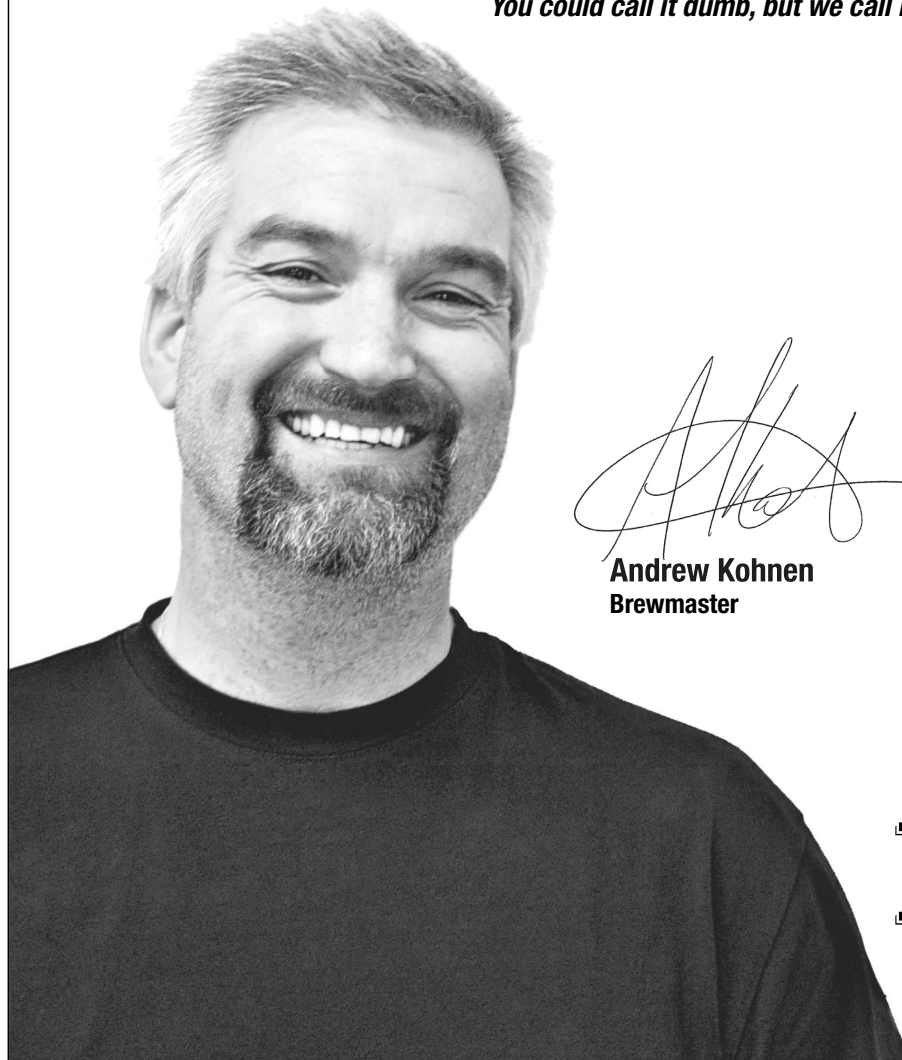

## BUT HE DOES!

Our brewmaster, Andrew Kohnen, threw away a successful career in logistics to pursue his dream of reconnecting with the brewing roots of his family. This carried him to the UK's prestigious Brewlab in Sunderland, England, where he procured the alchemy that would drive his signature brewing style.

He took what he could from there and ventured to Scotland, Cornwall, and ultimately to Krefeld, Germany, working in the same brewery that had belonged to his ancestors. He came home to Canada for Hockley.

# Brunch receptions: an emerging wedding trend

It's becoming increasingly trendy to host a wedding brunch instead of a dinner. If you're planning your big day, here are a few good reasons to consider having a brunch reception.

### AN EARLY EVENT

Do you find it hard to stay up until the wee hours of the morning? Are you inviting several seniors or young children to your wedding? Do some guests prefer not to drive at night? For all of these reasons, a morning wedding might be a great option. This way, everyone will be in high spirits from start to end.

- Local cheeses
- Belgian waffles
- Dauphinois potatoes
- Salmon gravlax
- Duck breast
- Eggs benedict
- Fruit cocktails
- Game sausages
- Niçoise salad
- Viennese pastries

If this trending wedding idea appeals to you, find out if the restaurants, reception halls and caterers in your area offer a brunch menu.

### AN IRRESISTIBLE MENU

Contrary to what some people say, brunch doesn't have to be simple or pared down. In fact, you can serve up a variety of fancy hot and cold dishes, including:

*The Perfect Venue*

We can accommodate up to 600 people on the arena surface and up to 90 people in the lounge. We also have a modern fully equipped kitchen and offer a licenced bar with professional bartending services.

*Our facilities are available for:*

- Weddings
- Meetings
- Trade Shows
- Special Occasions, etc.
- Conferences

The passes can be borrowed for 7 days, and allow a family (up to 5 people) free access to the pool at the Waterfront Pool and Fitness Centre.
