Armstrong nominates six for volunteer service awards

Darlene Wroe

Local Journalism Initiative Reporter

ARMSTRONG TOWNSHIP - Armstrong Township council has nominated six residents of the municipality for the provincial government's 2023 Volunteer Service Awards.

Council members chose Mayor Jean-Marc Boileau, Bruno Dallaire, Debbie Demers, Caleb Fotheringham, Francois Gauthier, and Gisele Gauthier at its October 25 meeting.

Councillor Peggy Harrison, who sat on the committee with Councillor Michele Rivard, briefly outlined the volunteer services provided by each of the nominees.

Boileau was chosen for his volunteer work with the Earlton Lions Club, the recreation committee, and his strong support for the community of Earlton.

Dallaire has served as the president of the Knights of Columbus and is a member of the Camp Jeunesse en Marche board. He has participated overseas in professional development experiences for teachers. He has worked on overseas projects in underdeveloped countries, assisting children and others in housing and with other assistance. Now retired from his teaching position, he provides assistance to local people by driving them to medical appointments. He is an active member of his parish and a representative for development and peace.

Fotheringham was nominated because of his volunteer work supporting activities for children. He involves himself at all levels of baseball, coaches hockey, and "gets kids out."

Francois Gauthier has served in the past as the president of the Earlton Lions Club and is currently the chair of the Coeur du Village.

Gisele Gauthier helps with the preparation of meals at Église de Saint-Jean Baptiste and is a life-long member and supporter of the church.

The council intends to select another group of people in 2024, said Harrison.

EDITORIAL

Shop local

It's that time of year when we start making lists for Christmas gifts and begin to purchase those extra items for the holidays.

Canadian consumers will spend millions of dollars on holiday gifts and decorations.

And a lot of those items will end up in the landfill shortly after the holidays are over.

Consumers should look locally for their holiday purchases as every dollar spent in our region creates an economic ripple effect.

Local businesses pay business taxes to their municipalities, they buy goods from other local businesses and they employ workers.

And they support local sports teams and charities that help so many in our communities.

Local businesses are created by average people who are often our friends or family members and acquaintances.

When we shop locally we directly support our neighbours, our hard working business leaders.

Creativity and entrepreneurship are what this region has been founded upon.

Our retailers work hard all year long to benefit from the busy holiday season, which can make or break the bottom line of a business.

There is nothing better than dealing with a local company who can give you that personal service and product knowledge that you won't find on Amazon or in big box stores in far-off communities.

This holiday season, instead of taking that trip out-of-town to far off malls and big box stores, why not give your local retailer the chance to earn your business?

Why not create that important level of commerce right here in South Temiskaming?

Call it out

In this life, we have two choices. We can either do right by people or we can be terrible human beings.

I truly believe when we get to the pearly gates, if we have wronged people, we will have to answer for that somewhere along the line.

I could be wrong, but when we treat people the way we want to be treated, then a life lived by the golden rule would be well lived.

Can you imagine living in a household where the person you love could beat, rape, choke and murder you and your children?

It's an issue that's often swept under the rug. If you look real close, you see the bruises, the heads held down low, the black eyes, the choke marks around the neck and the broken spirits.

One in three women in Canada has been assaulted, choked, beaten, raped and or violated in some form by their intimate partner.

November is a month to remember the issue of violence against women and children, which is on the rise in our communities.

When I heard about the man in Sault Ste. Marie who murdered three children and his former partner and then killed himself, my heart sank and my gut ached.

Not for him because he was a coward, but for the mother and her innocent children.

Police called the killings "intimate partner violence" or domestic violence.

The Mayor of Timmins, Michelle Boileau, immediately spoke up about this incident saying intimate partner violence is an epidemic.

There are over 30 municipalities across the province that have done the same thing.

Their resolution also called for intimate partner violence to be part of the safety and well-being plan of their strategic plans.

I hope municipalities in our

regions follow suit.

When are the courts going to dish out real punishment to people that choke, beat, murder and abuse their partners?

A slap on the wrist, a promise to never do it again and house arrest are not deterrents for these crimes.

We know anger causes violence so let's see mandatory anger management counseling for anyone charged and convicted of intimate partner violence.

Anger management and conflict resolution should be taught to children and adolescents, the earlier the better.

It is long past the time to ask for a National Anger Management Strategy.

And to confront misogyny head on because this is the reason why violence of that nature flourishes unchecked in our communities.

Positive change could mean asking your local council, MP or MPP to take a stand about this type of violence.

Sue Nielsen

Thanks to the local women's shelters that are ports in the storm for women and children experiencing intimate partner violence.

Gaetan Touzin

Surrounded by his family at Bluewater Health Sarnia, Gaetan Touzin passed away on Thursday, November 2, 2023, after a long illness, at the age of 72.

He was born in Nedelec, Quebec. In his early childhood, his family moved to Haileybury, a small town in Northern Ontario where he lived and worked for most of his life. A few years after retirement, Carole and Gaetan moved to Petrolia to be close to his son.

Gaetan was the loving husband of Carole (Loranger), and the proud father and grandfather of his son Marc Andre Touzin (Heather Fulton), his beloved granddaughter Lillian Touzin, and his daughter Amy-Anne Touzin (Ryan Kerr).

He was predeceased by his father Emilien Touzin, his mother Cecile, his sister Micheline (Mike Savard), and his brother Ghislain Touzin (Sandra).

He is survived by sisters Lisette Gauthier (Marcel), Joanne Layne, Suzanne Cheung (John), brothers-in-law Yvon, Philippe, Mario (Patricia), and Bruno Loranger along with sisters-in-law Lorraine and Francyne Loranger as well as many much-loved nieces and nephews from both families.

Gaetan was a loving, gentle, modest man, dedicated to his family and friends. An avid outdoor enthusiast, he enjoyed fishing, hunting, canoeing, downhill, and cross-country skiing, snowshoeing, snowmobiling the trails

as well as kayaking the lakes and rivers of Northern Ontario, Lambton County's St. Clair River, and the Pinery Provincial Park's Old Ausable River Channel. The Touzin family travelled coast to coast over several summers, camping along the way, as well as winter travels to Mexico, Cuba, and several islands. He was particularly fond of woodworking and built several pieces of furniture and toys for kids. He enjoyed reading, cooking, and making bread.

He attended school at NLSS New Liskeard and Northern College in South Porcupine. He started his career as an electrician before attending Sheridan College in Oakville. He obtained a Diploma in Technical Education from Queen's University in Kingston. He then taught adults and high school students at TDSS in New Liskeard, achieving a specialist in trades as well as being the head of the technical department for several years prior to retirement.

He will be missed by all who knew him. A celebration of life will take place in his hometown of Haileybury at a later date.

Donations to the Bluewater Health Foundation for the intensive care and palliative care units are appreciated. The family sincerely thanks the doctors and nurses who very diligently cared for him during his last days.

Memories and condolences may be shared online at www.NeedhamJay.com.

Norman Richard Hawirko

June 17, 1945 – November 9, 2023

Norm Hawirko passed away, after a brief illness, at the age of 78 at his home in Kenabeek with his cherished wife Marilyn by his side.

Born in Lac la Biche, Alberta, he was predeceased by his mother Florence (McNeill) and father Richard Hawirko.

Norm leaves behind his beloved wife of 57 years Marilyn (Ruddell); his two sisters-in-law Kathy (late John Arab) and Jean (John Chardine); nieces Allison and Andrea and nephews Christopher and Ian.

Norm leaves behind a legacy of love, laughter and many wonderful memories. He was multi-talented: a draftsman, cartographer, photographer, historian, graphic designer and loyal friend to many. He had a passion for the outdoors and went with Marilyn on many picnics, camping, canoeing, and fun excursions. Norm's joy of sharing his knowledge and enthusiasm for exploring the old mining camps was infectious. He volunteered at local museums and historical societies, was one of the founding members of Nastawgan Trails, and co-authored several books

and guides, including a history of Hudson Township with Marg Arnott Villneff. For many years he worked closely with his long-time friend Dr. John Pollock on archaeological/historical projects. As a

certified communications person with Transport Canada through his work with drones, he was a volunteer most recently with Temiskaming Search and Rescue, which he greatly enjoyed.

Fiercely loving and fiercely loved, he will be forever missed.

Cremation has taken place at the Timiskaming Funeral Cooperative, and a Celebration of Life will be held at Mountain Chutes in the spring of 2024.

If desired, donations can be made to the Temiskaming Hospital.

Funeral arrangements entrusted to the Timiskaming Funeral Cooperative, formerly Perrin Funeral Chapel (128 Whitewood Avenue West, New Liskeard, ON P0J 1P0).

Crohn's and Colitis Awareness

Crohn's disease and ulcerative colitis are diseases that inflame the lining of the gastrointestinal tract and disrupt your body's ability to digest food, absorb nutrition and eliminate waste in a healthy way. One in every 150 Canadians is living with Crohn's or colitis.

What causes Crohn's and Colitis?

The causes are not well understood. Diet and stress may aggravate the disease, but they do not cause the disease on their own. Currently, it is believed that a genetic tendency and a trigger in the environment combined set off inflammation in the gut. The chronic (life-long) result is Crohn's disease or ulcerative colitis.

What are the symptoms?

- Abdominal pain, cramping, gas
- Bloating
- Diarrhea (possibly bloody)
- Rectal bleeding
- Nausea and vomiting
- Reduced appetite and weight loss
- Fever
- Anemia
- Fatigue

Fast Facts:

- Canada has among the highest rates in the world.
- Crohn's and colitis can be diagnosed at any age, but people are more often diagnosed before the age of 30.
- The number of new cases of Crohn's disease in Canadian children has almost doubled since 1995.
- Males and females are equally affected.
- Crohn's and colitis can affect any race or ethnic group
- There is no special diet for people with Crohn's or colitis.

It's not always possible to tell from symptoms alone whether you have Crohn's disease or colitis. That's why it's important to visit your health care provider for a diagnosis. If you're experiencing symptoms and think you may have Crohn's or colitis, schedule an appointment with your health care provider to find out for sure.

For more information, visit the Crohn's and Colitis Canada website at www.crohnsandcolitis.ca

HOROSCOPE

WEEK OF NOVEMBER 19 TO 25, 2023
The luckiest signs this week:
Aries, Taurus and Gemini

March 21 - April 19 	ARIES End friendships that demand too much of your attention. Tidy up your circle of friends and go out and meet new people. Spearheading a project at work will help you develop new friendships with your colleagues.
April 20 - May 20 	TAURUS If you've recently achieved a great feat or completed a major project, it's perfectly normal to want to celebrate. Share this joy with your colleagues or loved ones by hosting a party.
May 21 - June 21 	GEMINI Avoid delays by doubling your efforts and focusing on your objectives. However, taking time to relax and enjoy yourself is also important to regain your energy.
June 22 - July 22 	CANCER If your family is scattered far and wide, you have two options for getting together for the holidays: visit each family member individually or go on a trip with them.
July 23 - August 22 	LEO This week, you'll excel at communicating and negotiating. You'll be able to reach an agreement for the financing of a professional or personal project. You could be afraid of disappointing someone.
August 23 - September 22 	VIRGO You'll be very successful this week, especially if you work in sales. You'll increase your clientele to such an extent that management will be obliged to promote you. What's more, you'll excel in the small details.
September 23 - October 22 	LIBRA At work, a polished presentation could change everything and help you succeed. An infusion of fun will also be appreciated by your superiors. In love, passion is the driving force behind commitment.
October 23 - November 21 	SCORPIO It's important to discuss family matters openly. Silence can lead to confusion. Moreover, you may need to bring work home with you a few evenings this week.
November 22 - December 21 	SAGITTARIUS If you're easy to talk to, you'll be able to expand your network of contacts and relationships at work. Even at work, you'll never run out of things to talk about and will be able to make new acquaintances.
December 22 - January 19 	CAPRICORN You may find money in the bottom of an old ski jacket you forgot about last year. In your relationship, it's important to communicate more openly, even if it's just to ask for more affection.
January 20 - February 18 	AQUARIUS You'll be very dynamic this week and start organizing various events you'll soon be attending. In the face of a certain emotional heaviness, a little internal housekeeping will be beneficial.
February 19 - March 20 	PISCES Silence is golden, speech is silver. You have an extraordinary source of creativity at your disposal. Take advantage of your home environment to create something beautiful or explore a new spiritual practice.

Beach Bitez sets up shop in Haileybury

Continued from 7
 unique to Beach Bitez and taste buds not used to spices," said Menzes. "Each dish is prepared with care and accompanied with a smile and lots of love."

FEEDBACK

During July and August Beach Bitez was busy, mentioned Vimla. "The community response was so much better than we had ever expected. With the opening of schools and the end of summer there has been an expected slowdown. The customer feedback has been very encouraging."

She said they have tried to include dishes that their customers request and are now getting catering orders for groups, family events and community events "for which our menu and food has been well appreciated."

As for the Beach Bitez signature dish? "It is difficult to pick out one but butter chicken dishes are by far the favourite. All three - the butter chicken with veggies and choice of rice or naan bread, the butter chicken with pizza and the poutine butter chicken."

The owners thanked the Temiskaming Shores and Area Chamber of Commerce, Temiskaming Shores Mayor Jeff Laferriere and council, FedNor and MP Anthony Rota, economic development officer James Franks, and all their customers for their ongoing support and encouragement.

"Love always," said Menzes. The hours of operation are all day from 8 a.m. to 7 p.m. weekdays and 8 a.m. until 5 p.m. on weekends. Breakfast is from 8 a.m. to 11 a.m. and meals served at 12 noon and onward. Call 705-672-3354 for more information.

City of Temiskaming Shores Winter Operations Plan

Although winter weather is often random and unpredictable, city snow removal efforts are not. The city is committed to providing a high level of snow removal service throughout the winter season, with consideration to safety, environmental and budget concerns. Your cooperation in helping to keep streets clean and safe is appreciated.

Weather Monitoring Season

The minimum standard is to monitor the weather, both current and forecast to occur in the next 24 hours, once every shift or three times per calendar day, whichever is more frequent, at intervals determined by the municipality.
 When | October 1 to April 30.

Tips

- ◆ Please remove all objects, including basketball nets from the roadways and sidewalks. Winter is here to stay and the plows are out. Objects obstruct snow removal and could be damaged if left on the roadway or sidewalk.
- ◆ Please remove vehicles from municipal areas by 11pm as Winter Crews begin snow removal.
- ◆ For issues in regards to Temiskaming Transit please contact Voyago Temiskaming Shores directly at: Phone | 705-230-2751

The City of Temiskaming Shores has received the following application to amend the City of Temiskaming Shores Zoning By-law:

File # : ZBA-2023-03

 Please contact the undersigned for alternative participation options.

The applicant is proposing to rezone the subject land from **Community Facilities (CF) to High Density Residential Exception (R4-#)** to allow for the development of a 6-unit residential building fronting on Davidson Street in Phase 1, and the development of a multi-unit apartment building on a portion of the Dymond Crescent road allowance (sale approved by Council on March 21, 2023, subject to the approval of a zoning by-law amendment application, approval of a site plan agreement, and the registration of any easements required by the municipality and external agencies) and the adjacent lands to the southeast in Phase 2.

The purpose of the exception is to allow a reduction in the required landscaped area for the proposed Phase 2 development from 35% to 30%.
