

INSPECTION

Inspection of Herbicide Project for the Timiskaming Forest

The Ontario **Ministry of Natural Resources (MNR)** invites you to inspect the planned herbicide project for the 2024 season. As part of our ongoing efforts to regenerate and protect Ontario's forests, selected stands on the **Timiskaming Forest** (see map) will be sprayed with herbicide to control competing vegetation, starting on or about **August 10, 2024**.

The project description and project plan for the herbicide project is available electronically for public inspection by contacting the Timiskaming Forest Alliance Inc. during normal business hours and on the Natural Resources Information Portal at https://nrip.mnr.gov.on.ca/s/fmp-online?language=en_US beginning **July 11, 2024** until **March 31, 2025** when the Annual Work Schedule expires.

First Nation and Métis communities and interested and affected persons and organizations can arrange a remote meeting with MNR staff to discuss the herbicide project. For more information, please contact:
