Breast screening challenge on at BRH

DISTRICT (Special/Staff) – Is there an appointment you’ve been neglecting?

Blanche River Health (BRH) is participating in Mammoth 2025, a regional initiative designed to encourage eligible women to prioritize their breast health.

On June 25, its Kirkland Lake site will dedicate the day to providing mammograms for women aged 50 to 74 who have never been screened for breast cancer.

“The mammogram is the most effective screening tool we have for detecting breast cancer early,” said Natalie Brissette, senior technologist-medical radiation technologist in diagnostic imaging at BRH.

“It can detect cancer before any symptoms appear, which is why it’s so important for eligible individuals to get screened regularly,” said Brissette in a media release.

“Early detection means better treatment outcomes, and the Mammoth is a great way to make that happen for as many people as possible.”

The Kirkland Lake site is part of the Ontario

Breast Screening Program.

In 2021 BRH replaced its mammography machine with a state-of-the-art unit, thanks to a funding commitment from Kirkland Lake Gold. That commitment was honoured by Agnico Eagle after its acquisition of the company in 2022.

The Kirkland Lake site serves residents of Englehart, Kirkland Lake and the surrounding area.

While breast cancer continues to be the most common cancer diagnosed in Canadian women and the third leading cause of cancer deaths, BRH notes that fewer women are dying from breast cancer today than in the past.

Breast cancer deaths have decreased by more than 40 percent due to earlier detection through breast screening and improved treatments.

People aged 40 to 49 are also eligible for breast screening, and are encouraged to talk to their primary care provider to help decide if screening is right for them.

People without a primary care provider can call or visit Health811 for more information.

Mammoth runs from 8:30 a.m. to 4 p.m. June 25. To book an appointment, contact BRH at 1-866-274-7774 or the Ontario Breast Screening Program at 1-800-668-9304.

Temiskaming Hospital is not participating in Mammoth this year.

ATTAWAPISKAT - I've been filled with a renewed sense of hope for the future through the work of Jeronimo Kataquapit, who has made it his mission to highlight the connection that the people of Attawapiskat have to the land and it's waters. He is the son of James Kataquapit and Monique Edwards who are both deeply connected to families in Attawapiskat and Fort Albany First Nation. James is also my cousin. Jeronimo's grandparents Alex and Susan Kataquapit and Daniel and Elsie Edwards have always represented traditional Cree families who are deeply connected to the land.

Jeronimo, his brother Jonathan and their parents James and Monique have been sharing a series of video logs on a recent trip they have em-

barked on from Attawapiskat to share and highlight the to travel west along the river **Continued on page 6**

Hyperthyroid and Hypothyroid Disorder Awareness

According to the Thyroid Foundation of Canada, 1 in 10 Canadians suffer from a thyroid condition of one type or another. And as many as 50% of those are undiagnosed.

Thyroid Disease is a Family Affair

The two most common types of thyroid disease are:

- Hypothyroidism (underactive thyroid)
- Hyperthyroidism (overactive thyroid)

Clinical features of hypothyroidism may include: poor appetite; intolerance to cold; dry, coarse skin; brittle hair; fatigue; constipation; muscle weakness; and poor memory retention. Sometimes the voice becomes croaky and hoarse. Examination may reveal dry, scaly, cold, pale skin; a thickening of the skin and underlying tissues; very slow reflexes; and a slow heart rate.

Clinical features of hyperthyroidism may include: weight loss, nervousness, irritability, intolerance to hot weather, excessive sweating, shakiness, and muscle weakness. Other signs include a rapid pulse, loss of body fat and muscle bulk, thyroid enlargement (goitre), fine tremors of the fingers and hot, moist, velvety skin.

Thyroid disorders for the most part are treatable; however, untreated thyroid disease can produce serious results in other parts of the body.

Each person's experience of thyroid illness will be different depending on a number of factors; a patient will not necessarily have all (or even any) of the above symptoms; some patients have the symptoms and no thyroid disease, maybe due to other causes. A primary care provider should be consulted if a thyroid disorder is suspected. Early diagnosis and treatment are crucial.

EDITORIAL

Proud moments

Having a sense of pride in one's self, in community groups, schools, churches and workplaces has far reaching effects. A connection with place and a pride in that place can give people a much need-

ed sense of belonging and contentment in their lives.

The fourth annual Temiskaming Pride Parade was a colourful display of pride about the people in this region who support and accept LGBTQ2 plus folks, and also LGBTQ2 plus people for their courage and support of one another.

The Salvation Army Temiskaming Community Church celebrated their 120th anniversary last weekend. They are proud of the way they help the needy among us and how they provide a spiritual footprint in the region.

The Hudson Lions Club

were proud to host their 40th anniversary JamFest at the Hudson Hall last weekend.

They do great work in the community and for such a small group, they have a big impact on the communities they serve.

The Temiskaming Ontario Provincial Police held a food drive at Walmart last weekend and turned over cash and food to the Salvation Army Food Bank.

That's the definition of pride in place.

The Temiskaming Bike Exchange program gave out 105 bikes to youth, adults and seniors last Sat-

urday.

Bike Temiskaming can certainly be proud of the good work they do in the community to promote cycling in Temiskaming Shores and area with the Bike Exchange program.

They are fully backed by the City of Temiskaming Shores by the way.

There is so much to be grateful for and proud of in this beautiful region.

Thanks to all the volunteers, service groups and others who cultivate pride in our Temiskaming region with their generous actions.

The records

Sue
Nielsen

"Adopt the pace of nature: her secret is patience." Ralph Waldo Emerson

I was reading a story about a young woman who broke the record for the fastest person in history to complete the Appalachian Trail. She was a 31-year-old woman from Virginia, who completed the 2,168 mile backcountry trail in just 40 days, 18 hours and five minutes.

Apparently, a regular hiker taking this route would have completed the thru-hike in five to seven months.

And locally, there are those who try to set a record of traversing the Ottawa-Timiskaming Highland Trail in record time.

Those Type A personalities likely didn't see the roadside flowers blooming along the trail or the beautiful sun setting in hues of pink, purple and red at day's end.

Can you imagine how much was missed from racing through such beautiful scenery?

This makes me think of the kind of world we are living in which demands more, faster, bigger, higher and stronger of people.

I thought hiking and going into the backcountry was a means to relaxation and rejuvenation, not a contest of sorts.

Zen moments are not scheduled. You don't set them by your Smart watch or put them on your full and busy calendar.

The magnificence of being away from town and artificial

lights, and watching the stars light up the night sky is pure heaven to me.

When you feel your shoulders dropping from up around your ears and your breath slows and you suddenly see the bass spawning in their beds as you canoe past, then it hits you. This is living.

One of the benefits of slowing down is you have time to fully immerse in nature. There is no one to answer to, no questions to ask and nothing to prove.

My happiness doesn't depend on being added to a list of fastest anything, or I hope I am the fastest to relaxation.

Miles will come and go, but at the end of the day, it is what you take away with you that counts.

If I can get out of bed in the morning, eat, shower, dress

myself and make it to work on time, I am happy.

If on my days off I can hear the loon calling in a far-off bay and see the wild irises growing along the shoreline of the lake, I am renewed.

We live in a fast-paced world where slowing down isn't easy.

The global economy is based on improved productivity and consumption, which is unsustainable for our physical, emotional and spiritual health.

Will it be the speed records you remember, or the way the stars shone at night and you could see the big dipper, even its second star.

I agree with Mahatma Gandhi who said, "There's more to life than simply increasing speed."

traditional land where they come from. It is part of a protest and call to action for everyone to stand up against recent government policy such as the Ontario government’s Bill 5 and the Federal government’s Bill C5. You can follow their journey on Facebook at ‘Here We Stand - Call to Action’

They hosted a series of gatherings in Attawapiskat leading up to their journey to allow young people to paint and share a family flag to symbolize their participation. Jeronimo and his family plan to take the flags and post them on the Attawapiskat River to show the world our people are still connected to the land. They hope to travel as far as the Muketei River, 200 km inland and connect

with allies in Neskantaga First Nation, an Ojibway First Nation, on Attawapiskat Lake, 400 km from James Bay. Their journey will also be joined by supporters from the other James Bay communities who will meet them at different points using float planes.

The Ontario government’s Bill 5, according to a Chiefs of Ontario (COO) statement is described as ‘It concentrates decision-making power in the hands of ministers and the Lieutenant Governor without mandating First Nations involvement, threatening sovereignty, land stewardship, and ongoing reconciliation efforts.’ The federal government’s Bill C5 was described by the Assembly of First Nations (AFN) as ‘Chiefs raised strong concerns over the rushed legislative process, lack of meaningful consultation, narrowly defined national interest that excludes First Nations priorities and perspectives, a failure to support First Nations priorities such as closing the infrastructure gap, and the broader implications for rights and jurisdiction’.

First Nation leaders and advocates are protesting and fighting back against both sets of new government powers which essentially threaten to override First Nation rights on the land they live on. The Ontario Bill 5 allows the provincial government to designate special economic zones that would allow companies to bypass regulations and rules that are meant to protect the environment, ecology, water and rules to consult with First Nations on development. The Ontario government is focusing its attention on the Ring of Fire mining zone west of James Bay and right at the head waters of the Attawapiskat River.

During their first video

posting, the group stopped at the confluence of the Attawapiskat and Lawashi River at a place called Mahkehshekamik, or the Fox Channel. I was happy to see them there as it was one of the places I had visited with James and my dad Marius and brothers many years ago in the summer to fish and gather logs. It felt good to see the pictures of the majestic red hued water in this part of river as the channel can narrow down to wild rapids between the rocks and then open up to wide open expanses of water lined with endless pristine forests. I felt happy when James and Monique spoke Ininewmoon (Cree language) to share how they spotted moose, geese and even a set of giant pelicans. This is the magic of the land as the time they spend there means that both Jeronimo and Jonathan get to hear the stories, legends, history and culture of our people from their parents.

Every mile of this great river has a story of how it fed people, saved people from starvation, where adventures happened and also stories of people that had been lost to the land. Many locations tell a story of travel by canoe, by portage and in the winter about people moving by dog sled, snowshoe and snowmobile to travel to and from their fishing areas, hunting camps, traditional family trap lines, birth places and burial grounds. These lands are not merely some place for resource developers to invade and tear apart to make money. This land is our home and has been since the dawn of time. It is who we are as a people.

I was deeply moved by Jeronimo’s direct action to spend time on the land he and his family want to de-

4th annual Pride parade *Celebrating inclusion and diversity*

Sue Nielsen
Speaker Reporter

TEMISKAMING SHORES — The sun came out, love was in the air and plenty of rainbows were also present for the fourth annual Pride Temiskaming Pride Parade Saturday, June 14 in New Liskeard.

About 100 adults, seniors and youth walked along waving rainbow flags, with their faces painted in rainbows united in a mission to promote diversity, inclusion and acceptance of LGBTQ2Plus people living in South Temiskaming.

"We are so grateful for the continued support that this community gives us, whether it's sharing our Facebook posts, showing up to events, helping with sponsorships, volunteering and more," said Pride Temiskaming founder Kailey Kennedy in an online message. "The love we continue to receive far outshines the hate."

She said the numbers of walkers in the Pride Parade were down slightly this year, but acknowledged there were several events happening in the region on the day.

People could take part in a Puppy Pride with Northern Animals Rescue and Sanctuary at the New Liskeard soccer fields. At the Riv-

erside Place there were vendors available and Jonathan Rockswell performed music for the attendees.

A barbecue and social took place after the parade and a Queer-rake ended a full day of activities for Pride Temiskaming.

Dignitaries showing their support for the Pride Parade were City of Temiskaming Shores Mayor Jeff Laferriere, Councillor Nadia Peltier-Lavigne, former member of parliament Charlie Angus and Timiskaming-Cochrane MPP John Vanthof.

Coleman Township resident Trina Godden Breault walked in the parade with Nadia Breault and Amanda St. Jean, following the parade route down Whitewood Avenue from Riverside Place to Davy's Independent Grocer in New Liskeard.

"Being an ally isn't just a belief — it's also action," said Godden Breault. "Attending or supporting Pride publicly sends a message that you stand for equality, safety, and love, even if it's uncomfortable or new. I am very proud of my queer family and I want to live in a community that supports them."

Everyone loves a parade! Kayleigh Dunham, walked with her parents in the fourth annual Pride Parade hosted by Pride Temiskaming on Saturday, June 14. There were several events held on the day to showcase diversity and support for the LGBTQ2plus community of the Temiskaming region. (Staff photo by Sue Nielsen)

HOROSCOPE

Week of June 22 to 28, 2025

- ARIES

When planning your vacation, even if it's a long trip, remember to include some downtime at home. You'll have a long phone conversation with a true friend who values your company.
- TAURUS

You may have to ask for a refund or a price adjustment after a specific purchase. This summer, you'll sign up for a short training course that will boost your professional development.
- GEMINI

Your friends and loved ones will need your help and support this week. As you inevitably devote yourself to helping them, they'll express their gratitude and appreciation for your kindness.
- CANCER

In the upcoming weeks, you'll focus on a professional or personal project. You'll work alongside a talented team that can help turn your visions into reality.
- LEO

Your week will be marked by ups and downs in your energy levels. You'll celebrate excellent news regarding a family member's health, leading to a spontaneous gathering.
- VIRGO

Time is precious and limited. You'll have to be extremely organized to complete all your projects. You'll participate in joyful festivities that will recharge your energy and prepare you to tackle your goals.
- LIBRA

If you're looking for a job, someone close to you may guide you to an unexpected career opportunity. You're about to launch an exciting venture, whether it's organizing a trip or starting a business.
- SCORPIO

Plan yourself a well-deserved vacation this summer. You have all the tools you need to grow your business. You'll receive support from knowledgeable experts.
- SAGITTARIUS

Bring peace back into your life and resolve any conflicts within your circle. Solutions will be offered to you to settle your debts or start renovation work.
- CAPRICORN

You'll find yourself leading important negotiations or finalizing a lengthy business deal. Don't be afraid of change; welcome it with confidence. It will benefit you in the long term.
- AQUARIUS

You'll be surprised to find yourself in the spotlight this week. Prepare to be recognized for a heroic deed, even if only for lending a listening ear to a person in emotional distress.
- PISCES

One of your children may feel hesitant to leave their friends for the summer. They'll need a bit of extra attention, potentially requiring you to take time off work. Additionally, an elderly relative may need your presence and support.

Public Notice of Application for Consent

Clause 53(5)(a) of the *Planning Act*

The Minister of Municipal Affairs and Housing has received **Application No. 54-C-247082** for consent in Lorrain Unincorporated Township, District of Timiskaming. The subject property is described as Lot 16, Concession 3, PIN 61390-0273.

The application would sever one new lot, approximately 0.94 hectares in size, with approximately 123 metres of frontage on Lake Timiskaming. The lot is currently vacant land and a resource-based recreational use is proposed.

The proposed retained lot would be approximately 75 hectares in size with approximately 1350 metres of frontage on Lake Timiskaming. The lot contains a cottage, three outbuildings and individual on-site services.

No specific buildings or structures are proposed, however, future construction of a resource-based recreational dwelling and related services is expected as a result of this proposal.

The purpose of this notice is to inform the public of the nature of the application, invite public input, advise on how to make comments on the application and advise the public of future notification and appeal rights.

Inquiries, Written Submissions and requests to see additional information can be made to David Ferrone, Planner, at (249) 885-4067 or 1-800-461-1193 or via email at david.ferrone@ontario.ca, or by mail at: Ministry of Municipal Affairs and Housing, Municipal Services Office – North (Sudbury), 159 Cedar Street, Suite 401, Sudbury ON P3E 6A5.

Appeal Rights under the *Planning Act*

If you wish to be notified of the decision of the Minister in respect of the proposed consent, you must make a written request to the Minister at the above address. Appeal of a decision of the Minister in respect of this consent, and/or any condition imposed by the Minister, may be made by a specified person or any public body not later than 20 days after notice of the decision is given. If a person or public body has the ability to appeal the decision of the Minister in respect of the proposed consent to the Ontario Land Tribunal but does not make written submissions to the Minister before the Minister gives or refuses to give a provisional consent, the Tribunal may dismiss the appeal.

Additional Appeal Rights under the *Environmental Bill of Rights*

The *Environmental Bill of Rights, 1993* provides a separate ability to seek leave to appeal decisions on consent applications that are posted to the Environmental Registry of Ontario (ERO). This appeal must be commenced within 15 days of the notice of decision being posted on the ERO. For more information about this appeal method, refer to the *Environmental Bill of Rights, 1993*, or <https://www.ontario.ca/page/environmental-bill-rights>. To view the notice for this application on the ERO, please visit <https://ero.ontario.ca/notice/025-0432>.

Avis public d'une demande d'autorisation

Alinéa 53 (5) a) de la *Loi sur l'aménagement du territoire*

Le ministre des Affaires municipales et du Logement a reçu la demande d'autorisation n° **54-C-247082** relative au canton non érigé en municipalité de Lorrain, district de Timiskaming. Le bien-fonds visé est décrit comme suit : lot 16, concession 3, cote foncière 61390-0273.

La demande retrancherait un nouveau lot, ayant une superficie d'environ 0,94 hectare, avec une façade d'environ 123 mètres donnant sur le lac Témiscamingue. Le lot est actuellement un terrain vacant et un usage récréatif axé sur les ressources est proposé.

Le lot que l'on propose de conserver aurait une superficie d'environ 75 hectares avec une façade d'environ 1 350 mètres donnant sur le lac Témiscamingue. Le lot contient un chalet, trois dépendances et des installations d'évacuation sur place des eaux usées.

Aucun bâtiment ou ouvrage spécifique n'est proposé. Cependant, la construction future d'une habitation récréative axée sur les ressources ainsi que des installations connexes est attendue à la suite de cette proposition.

Le présent avis a pour but d'informer le public de la nature de la demande, de solliciter ses commentaires, de lui indiquer comment faire des commentaires sur la demande et de l'informer de ses droits relatifs aux futurs avis et appels.

Des questions, observations écrites et demandes de renseignements supplémentaires peuvent être soumises à David Ferrone, aménageur, par téléphone au 249 885-4067 ou 1 800 461-1193, par courriel à david.ferrone@ontario.ca, ou par la poste au : Ministère des Affaires municipales et du Logement, Bureau des services aux municipalités du Nord (Sudbury), 159, rue Cedar, bureau 401 Sudbury (Ontario) P3E 6A5.

Droits d'appel en vertu de la *Loi sur l'aménagement du territoire*

Si vous souhaitez qu'on vous informe de la décision du ministre concernant le projet d'autorisation, vous devez le demander par écrit au ministre, à l'adresse mentionnée ci-dessus. Toute personne précisée ou tout organisme public peut interjeter appel d'une décision du ministre concernant l'autorisation et toute condition imposée par le ministre, au plus tard 20 jours après que l'avis de décision a été donné. Si une personne ou un organisme public est en mesure d'en appeler de la décision du ministre concernant l'autorisation proposée auprès du Tribunal ontarien de l'aménagement du territoire, mais ne présente pas d'observations écrites au ministre avant que celui-ci accorde ou refuse d'accorder une autorisation provisoire, le Tribunal peut rejeter l'appel.

Droits d'appel supplémentaires en vertu de la *Charte des droits environnementaux*

La *Charte des droits environnementaux de 1993* confère une capacité distincte de demander l'autorisation d'interjeter appel de décisions concernant des demandes de consentement auprès du Registre environnemental de l'Ontario. Cet appel doit être déposé dans les 15 jours de la publication de l'avis de décision sur le Registre environnemental de l'Ontario. Pour en savoir davantage sur cette méthode d'appel, reportez-vous à la *Charte des droits environnementaux de 1993* ou au site <https://www.ontario.ca/fr/page/charte-des-droits-environnementaux>. Pour voir l'avis concernant cette demande sur le Registre environnemental de l'Ontario, veuillez visiter <https://ero.ontario.ca/notice/025-0432>.
