**Did you get
The Speaker this
week?
Here are some of
the stories in our
August 10, 2016
edition...**

- The North East Local Health Integration Network (LHIN) is considering a "range of solutions" to remove at least some of the pressure from the EMS (Emergency Medical Services) ambulance network when non-urgent patient transfers are needed.
- Installation of a second water line into North Cobalt is expected to begin after Labour Day weekend.
- Heat warnings, fire bans and forest fires have been in effect this past week.
- A taste of Temiskaming will be on offer at this weekend's regional food fair in Ville-Marie.
- Firefighting artifacts from across Northeastern Ontario, and even from across Canada, will now be looking for a home.
- Wonderful weather, wheel spinning and rubber peeling were all hallmarks of the August 5-7 Drag N' Fly Summer Classic drag races at the Earlton-Timiskaming Regional Airport.
- He stands for hours on end pushing the switch that changes the starting lights from amber to green at the Drag N' Fly Summer Classic races at the Earlton-Timiskaming Regional Airport— and he loves his job.
- Our C-front this week features a story and photos correlating The Temiskaming Speaker's coverage of community events and the awards the newspaper has won over the years.

Join the majority and read Temiskaming's Paper of Record, the national and provincial award-winning Temiskaming Speaker. A paper produced in Temiskaming by Temiskaming residents for Temiskaming residents.

WEEKENDER *Sports*

Operation Dry Water makes a splash

LET'S PLAY BALL!

Sunny skies and warm temperatures blessed last weekend's Rural Mixed Youth Slo-Pitch League's "Gate's Gala" wrap up tournament. During a Saturday afternoon game on B field at the Dymond Ball Park August 6 was a batter from the Charlton/Englehart Lions team versus the TFN Jr. Braves pitcher. The 14-17 age group plays August 10-14 to determine the top team in that division. (Staff photo by Sue Nielsen)

DISTRICT (Special) - Drinking and boating accounts for approximately 40 per cent of boating-related fatalities on Canadian waterways.

The Canadian Safe Boating Council (CSBC) is in its third year of an initiative called "Operation Dry Water" with a goal to discourage this dangerous practice.

With the summer boating season in high gear, the sun, wind, waves and the rocking motion of the boat can greatly increase the effects of alcohol.

"The CSBC... would like... to raise attention to the problem of boating under the influence and to remind boaters not to drink and boat," said John Gullick, Chair of the Canadian Safe Boating Council, in a press release.

Federal statutes dictate that, whether or not a craft is motorized, a boater can be charged with Impaired Operation of a vessel under the Criminal Code of Canada if your blood alcohol level exceeds the .08 threshold. This means you can

be charged even if you are impaired while operating a canoe and a judge is able to, upon conviction, suspend your boating privileges.

But that's not all, it can get worse.

In Ontario, for example, Bill 209 amended the Highway Traffic Act to also apply to "anyone operating or having the care or control of a vessel." As such, anyone found boating with a blood alcohol level above .05 faces an on-the-spot automobile drivers license suspension. Should the person's blood alcohol concentration exceed .08, upon conviction, an additional suspension of up to one year can be applied.

Operation Dry Water is aimed at reducing the number of alcohol-related accidents and fatalities on the water while fostering a stronger and more visible deterrent to alcohol use while boating. The end goal? To achieve safer and more enjoyable recreational boating.

WE DO THAT!
